Subject: **ADOPTION OF THE 2019 LOCAL PARTNERSHIP FORMULAIC PROGRAM OF PROJECTS, RESOLUTION G-18-44**

ISSUE:

Should the California Transportation Commission (Commission) adopt the 2019 Local Partnership Formulaic Program of Projects, as recommended by staff?

RECOMMENDATION:

Staff recommends the Commission adopt the 2019 Local Partnership Formulaic Program of Projects, as outlined in the Staff Recommendations (Attachment B).

BACKGROUND:

Enabling Legislation

Senate Bill 1 (Chapter 5, Statutes of 2017), which created the Local Partnership Program, was signed by the Governor on April 28, 2017. Assembly Bill 115 (Chapter 20, Statutes of 2017), signed by the Governor on June 27, 2017, clarified Senate Bill 1 language regarding local and regional transportation agency eligibility and expanded the types of projects eligible for the program. The objective of the Local Partnership Formulaic Program is to reward counties, cities, districts, and regional transportation agencies in which voters have approved fees or taxes solely dedicated to transportation improvements.

Local Partnership Formulaic Program

The 2019 Local Partnership Formulaic Program is funded from \$100 million annually in state funds authorized by Senate Bill 1. The 2019 Local Partnership Formulaic Program only awards funding to those agencies with Commission-adopted shares and committed local matching funds.

Commission staff held a workshop on June 5, 2018, to give jurisdictions an opportunity to review, comment, or request modifications to the 2019 Local Partnership Formulaic Program. At the workshop, Commission staff discussed the proposed amendments to the 2018 Local Partnership Program Guidelines, identified potential jurisdictions eligible for funding shares in subsequent cycles, and discussed the proposed funding share distribution for Fiscal Year 2019-20.

On June 27, 2018 the Commission adopted the 2019 Local Partnership Formulaic Program Share Distribution for Fiscal Year 2019-20. Eligible jurisdictions, outlined in the Share Distribution, submitted project proposals by the August 29, 2018 deadline. On September 11, 2018, the Commission posted the log of proposals to its website.

Commission staff reviewed the project proposals for compliance with the guidelines. Based on a thorough project review and correspondence with applicants, staff drafted and posted recommendations on the program of projects to the Commission's website on September 26, 2018. Through this process, Commission staff ensured applicant agencies had an opportunity to verify, review, and request modifications prior to adoption.

Of the 40 agencies eligible for the program, 22 agencies submitted 33 projects for programming and all 33 projects are recommended for programming. The current program of projects will program a total of \$83.9 million that includes cycle 1 formulaic unprogrammed shares of \$11 million, over Fiscal Year 2019-20.

Eighteen agencies elected not to apply for programming at this time. The Local Partnership Program Guidelines allow all agencies with adopted 2019 formulaic shares to nominate projects for programming through the end of the subsequent cycle (June 2021).
