¹ The Governor's proposal doesn't reset the price-based excise tax until the 2017-18 fiscal year.

² Transit and Intercity Rail Capital Program, a competitive grant program administered by the Transportation Agency.

³ The weight fees would not be transferred from the State Highway Account and instead be available for traditional uses including SHOPP, STIP, and local roads through existing formulas. Therefore they are not included in the Estimated Total Annual Funding Increase, but would result in roughly \$1 billion more funding.

⁴ The Road Maintenance and Rehabilitation Account, created in SB 1x1.

⁵ Roughly estimated, annualized over ten years. Figures may not add up due to rounding.
