SB 1 Accountability and Transparency Guidelines Workshop

Please mark your calendars for the California Transportation Commission's upcoming SB 1 Accountability and Transparency Guideline Update Workshops. These workshops will be held virtually. Registration links for each workshop can be found below. A workshop agenda will be made available prior to each workshop date on the Commission's website.

The Commission's responsibility for the accountability of SB 1 program funds is focused on identifying and reporting expected and actual project benefits, along with the delivery of projects within their approved scope, cost, and schedule, and reporting these findings to the Legislature and the public in a transparent and timely manner. The SB 1 Accountability and Transparency Guidelines are applicable to the Active Transportation Program, Local Partnership Program, Solutions for Congested Corridors Program, State Highway Operation and Protection Program, and Trade Corridor Enhancement Program.
