

2025 Active Transportation Program

Kick-Off Workshop (North)

September 14, 2023

Action Items

1. Create more access for applicants to use/test out Submittable.
2. Send out information to all stakeholders regarding [Assembly Bill 630](#).
3. Align application and scoring rubric questions and information.
4. Future Workshop Discussion: Limit the number of very large projects funded.
5. Future Workshop Discussion: Small, Medium, Large application thresholds.
6. Future Workshop Discussion: Justice40 and including it as a disadvantaged community qualifier.
7. Future Workshop Discussion: Align ProHousing Designation requirements to be consistent with SB 1 Programs.
8. Future Workshop Discussion: Add language to application questions clarifying that ATP funds are only for active transportation improvements and not new housing/affordable housing to be developed as part of ATP application.
