

# 2025 Active Transportation Program

## Central Workshop

October 18, 2023

### Action Items

---

1. Make minor revision to Justice40 language to state: “At least 40% of federal funds programming in the Active Transportation Program must benefit communities identified as disadvantaged...” (See presentation slide 20).
2. Make minor revision to Past Performance language to state: “Points may be deducted for poor past performance on an ATP project...”. (See presentation slide 29).
3. Future Workshop Discussion: After gathering feedback from stakeholder group, CTC staff will discuss Leveraging, and bring a final decision to the October 31, 2023, workshop.
4. Future Workshop Discussion: Discuss new federal tools at the October 31, 2023, workshop instead of at the Scoring Rubrics workshop scheduled for February 6, 2024.
5. Future Workshop Discussion: Discuss the evaluation of proposed improvements and recognized best solutions at the Applications (January 10, 2024) and Scoring Rubrics (February 6, 2024) workshops.
