**To:** CHAIR AND COMMISSIONERS  
CALIFORNIA TRANSPORTATION COMMISSION

**CTC Meeting:** June 27-28, 2018

**Reference No:** 2.5j.  
Action Item

**From:** STEVEN KECK  
Chief Financial Officer

**Prepared by:** Bruce De Terra, Chief  
Division of Transportation  
Programming

**Subject:** **FISCAL YEAR 2018-19 SHOPP MINOR CONSTRUCTION PROGRAM LUMP SUM  
ALLOCATION  
RESOLUTION FM-17-05**

### **ISSUE:**

Should the California Transportation Commission (Commission) approve Resolution FM-17-05 allocating a lump sum amount of \$150,000,000 for the Fiscal Year (FY) 2018-19 State Highway Operation and Protection Program (SHOPP) Minor Program?

### **RECOMMENDATION:**

The California Department of Transportation (Department) recommends that the Commission approve Resolution FM-17-05 allocating a lump sum amount of \$150,000,000 (\$85,875,336 for construction capital and \$64,124,664 for capital outlay support) for the FY 2018-19 SHOPP Minor Program.

### **BACKGROUND:**

At its June 2016 meeting, the Commission passed Resolution G-05-16 delegating to the Department the sub-allocation and adjustment authority for minor capital construction projects. The resolution requires the Department to present its Minor Program to the Commission annually for review and approval. In addition, the resolution states that the following be included for projects to be allocated in the upcoming fiscal year;

- Project description, location, expenditure authorization (EA) number and performance measures.
- Program sum for day labor (material acquisitions only), right of way capital, construction capital and construction support.
- A lump sum amount for the construction capital and support costs and right of way capital of Minor B projects.

Consistent with Resolution G-05-16, the Department reviewed the Minor Program project list on the attachment with Commission staff.

**FINANCIAL RESOLUTION:**

Resolve that the amount of \$85,875,336 for construction be allocated from Budget Act of 2018, Budget Act Items 2660-302-0042, 2660-302-0890 and 2660-303-0042, and \$64,124,664 for capital outlay support, as a lump sum amount for the Minor Program for FY 2018-19, contingent upon the passage of the Budget Act of 2017.
