2.5f.(1) Informational Report - Emergency G-11 Allocations				
13 \$500,000 Santa Cruz 05-Scr-1 R3.7/R3.9	Near Watsonville, from 0.4 mile south of Buena Vista Avenue to 0.2 mile south of Buena Vista Drive. On December 2, 2016, Department forces identified a large sink hole and eroded embankment near the edge of pavement. The damage was found to be caused by corrosion of the culvert invert and settlement of the drainage system junction boxes. This project will buttress the failing embankment and install a new culvert by jack-and-bore methods between junction boxes. Supplemental work is necessary to replace an unexpected failed culvert in the same drainage system. This failure created a sinkhole in the #1 north bound lane, creating an additional need for traffic control, replacement of guardrail and repaving the roadway due to sinkhole and construction related activities.	05-2683 SHOPP/16-17 CON ENG \$0 CONST \$500,000 0516000146 4 1H730 Emergency	001-0042 SHA 20.10.201.130 2017-18 302-0042 SHA 20.20.201.130	\$0 \$500,000
	Initial G-11 Allocation 12/13/16: \$2,300,000 Supplemental G-11 Allocation 10/26/17: \$500,000 Revised Allocation: \$2,800,000 (Additional \$20,000 was allocated for right of way purposes).			
14 \$120,000 Kern 06-Ker-5 8.9R	Near Grapevine (PM 8.9R), at 1.3 miles south of Grapevine Road East. On March 1, 2017, repeated storms lead to a double box culvert failure and exposure due to storm debris. A 60 ft. section of the affected culvert was inundated with water, which caused the hillside to slide onto the culvert. The force of the slide also caused the concrete lined channel surrounding the culvert to collapse. This project will reconstruct embankment washout, remove channel debris, repair double box culvert, and install slope drainage. Supplemental work is necessary to address additional damages that were revealed after the destroyed culvert was removed, as well as, construct a parapet on along one of the walls to prevent soil from eroding and collapsing into the channel.	06-6863 SHOPP/16-17 CON ENG \$0 CONST \$120,000 0617000194 4 0W290 Emergency	001-0042 SHA 20.10.201.130 2017-18 302-0042 SHA 20.20.201.130	\$0 \$120,000
	Initial G-11 Allocation 03/14/17: \$600,000 Supplemental G-11 Allocation 10/20/17: \$120,000 Revised Allocation: \$720,000 (Additional \$720,000 was allocated for right of way purposes).			
15 \$6,185,000 Los Angeles 07-LA-210 R11.1/R14.8	In the city of Los Angeles from Sundland Blvd to 0.6 mile east of La Tuna Canyon Road. On September 1, 2017 the La Tuna Fire burned 7,000 acres closing the route for multiple days. This project will repair damaged fencing and signs, clean fire debris from the drainage systems, and stabilize slopes.	07-5278 SHOPP/17-18 CON ENG \$1,250,000 CONST \$4,935,000 0718000110 4 1XF80 Emergency	001-0042 SHA 20.10.201.130 2017-18 302-0042 SHA 20.20.201.130	\$1,250,000 \$4,935,000
	Initial G-11 Allocation 10/20/17: \$6,185,000			
16 \$495,000 Los Angeles 07-LA-Var Var	In Los Angeles County on Routes 5 and 210 at various locations. After a series of winter storms in January 2017 and February 2017, routine maintenance inspections during summer 2017 revealed erosion of multiple embankments, drainage channel damage, and eroded bridge abutment slope. This project will reconstruct embankments, repair concrete lined channel, and recompact bridge abutment slope.	07-5263 SHOPP/17-18 CON ENG \$120,000 CONST \$375,000 0718000107 4 1XE30 Emergency	001-0042 SHA 20.10.201.130 2016-17 302-0042 SHA 20.20.201.130	\$120,000 \$375,000
	Initial G-11 Allocation 11/08/17: \$495,000 (Additional \$50,000 was allocated for right of way purposes).
