

CALIFORNIA TRANSPORTATION PLAN IMPLEMENTATION

PRESENTED BY
CHIEF, DIVISION OF TRANSPORTATION PLANNING
Marlon Flournoy

PLANNING GUIDELINES

◆ CTP Implementation Re-cap:

- ◆ The California Transportation Commission (CTC) requested that Caltrans **develop a process to monitor statewide implementation efforts** of the California Transportation Plan (CTP).
- ◆ Caltrans has developed the first iteration of the CTP Implementation Report.

IMPLEMENTATION PROCESSES

- ◆ Monitoring CTP implementation is a two-part process:
 - ◆ **Annually: Highlight and discuss Caltrans CTP implementation efforts** in the *CTP Implementation Progress Report*.
 - ◆ **Ongoing: digitally track and monitor progress** on the implementation of 14 CTP recommendations.
- ◆ Goal is to show **achieved progress towards the vision, goals, and recommendations of the CTP.**

PUBLIC REVIEW PERIOD

◆ Since the January briefing:

- ◆ 1/27 - Received CTC Comment letter
- ◆ Received public comments from 6 entities
 - ◆ Most comments focused on the organization of the report or provided suggestions for future iterations
- ◆ Review and incorporation of comments

CTP IMPLEMENTATION - CTC COMMENTS

- ◆ The CTC provided comments to the Draft Implementation Report summarized below:
 - ◆ Include the omitted implementation sections in the final (Implementation) report.
 - ◆ Include a description of how other agencies will support ongoing implementation activities.
 - ◆ Articulate the role Regional Transportation Plans play in advancing CTP implementation.
 - ◆ Provide an update on the 14 recommendations and associated actions in future annual reports to the Commission.
 - ◆ Add reference to the Assembly Bill 285 (2019, Friedman) report that is under development and how the findings might influence future implementation efforts.
 - ◆ Provide a timeline for the activities in the Data Monitoring and Display section. How will future Implementation Reports incorporate more information on performance metrics?
 - ◆ In the section on Program Funding, Caltrans should articulate other funding sources that support transportation, including federal and local sources. Fix errors and omissions in this section.

CTP Implementation Next Steps

- ◆ Finalized 2021 CTP Implementation Progress Report
- ◆ Continue developing CTP Dashboard
- ◆ Continue to work with partners and stakeholders to implement the CTP 2050

NEXT STEPS - DISPLAYING RESULTS

Information

56%

Percent Complete

In Progress

Status

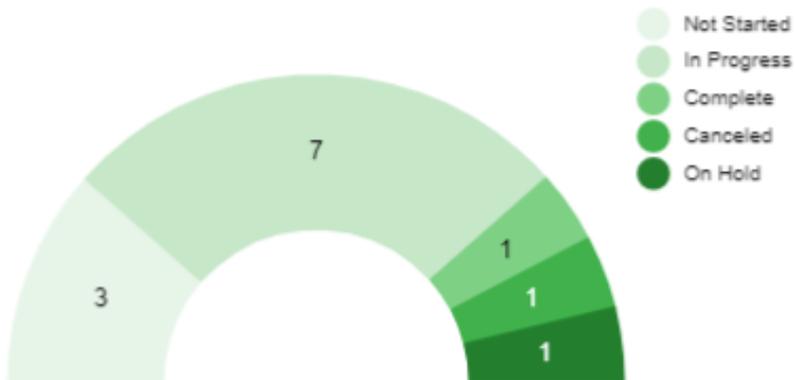

03/29/21

Start Date

04/26/21

End Date

Actions by Status

Recommendation

1. Expand Access to Safe and Convenient Active Transportation Options
