MEMORANDUM

TAB 116

To: CHAIR AND COMMISSIONERS CALIFORNIA TRANSPORTATION COMMISSION

CTC Meeting: August 16-17, 2023

From: STEVEN KECK, Chief Financial Officer

Reference Number: 4.24, Action Item - YELLOW REPLACEMENT ITEM

Prepared By: Dee Lam, Chief

Division of Local Assistance

Subject: 2023 ACTIVE TRANSPORTATION PROGRAM PROJECT AMENDMENT – CITY

OF COMMERCE - SLAUSON AVENUE CORRIDOR & CITYWIDE PEDESTRIAN,

BIKE, TRANSIT IMPROVEMENTS PROJECT

RESOLUTION G-23-62, AMENDING RESOLUTION G-23-31

<u>ACTION UPDATE:</u> Revisions to the memo to update the fiscal years, and removal of an ATP database snip from the second attachment.

ISSUE:

Should the California Transportation Commission (Commission) amend the City of Commerce – Slauson Avenue Corridor & Citywide Pedestrian, Bike, Transit Improvements Project (PPNO 6043), currently programmed in the 2023 Active Transportation Program (ATP), to approve a funding distribution change to allow the City of Commerce (City) to move \$150,000, in the Project Approval and Environmental Document (PA&ED) and Plans, Specifications and Estimates (PS&E) phases currently programmed in Fiscal Years 2023-24 and 2024-25, respectively, to 2025-26 for the Construction (CON) phase?

RECOMMENDATION:

The California Department of Transportation (Department) recommends the Commission approve the City's amendment for the City of Commerce – Slauson Avenue Corridor & Citywide Pedestrian, Bike, Transit Improvements Project (PPNO 6043), currently programmed in the 2023 ATP, to approve a funding distribution change to allow the City to move \$150,000, in the PA&ED and PS&E phases currently programmed in 2023-24 and 2024-25, respectively, to 2025-26 for the CON phase.

Reference No.: 4.24 August 16-17, 2023

Page 2 of 2

YELLOW REPLACEMENT ITEM

BACKGROUND:

On March 22, 2023, the Commission approved Resolution G-23-31, that amended the Statewide component of the 2023 ATP, which included \$2,109,000 for the City of Commerce – Slauson Avenue Corridor & Citywide Pedestrian, Bike, Transit Improvements Project (PPNO 6043).

The 2023 ATP Guidelines, adopted by the Commission on March 16, 2022, state that funding distribution changes will be considered for ATP projects, to allow agencies to move funds between programmed phases, provided that moving funds between phases does not increase the total funding amount programmed. The proposed amendment for the City of Commerce – Slauson Avenue Corridor & Citywide Pedestrian, Bike, Transit Improvements Project (PPNO 6043) would move funds as outlined in the chart below and does not program additional funding for the project.

Phase	PA&ED	PS&E	RW	CON	CON-NI
Program Fiscal Year	2023-24	2024-25	N/A	2025-26	N/A
Original Amount	\$10,000	\$140,000	N/A	\$1,959,000	N/A
Change	-\$10,000	-\$140,000	N/A	\$2,109,000	N/A
Proposed Amount	\$0	\$0	N/A	\$150,000	N/A

RESOLUTION G-23-62:

Be it Resolved, that the Commission does hereby amend the 2023 Statewide component of the ATP to approve a funding distribution change by moving \$150,000 in the PA&ED and PS&E phases currently programmed in 2023-24 and 2024-25, respectively, to 2025-26 for the CON phase for the City of Commerce – Slauson Avenue Corridor & Citywide Pedestrian, Bike, Transit Improvements Project (PPNO 6043). All other provisions stipulated in Resolution G-23-31 remain in effect.

Be it further Resolved, that the funding is hereby amended to reflect the funding distribution changes for the City of Commerce – Slauson Avenue Corridor & Citywide Pedestrian, Bike, Transit Improvements Project (PPNO 6043).

Be it further Resolved, that all other provisions stipulated in Resolution G-23-31 remain in effect.

CITY OF COMMERCE

DEPARTMENT OF PUBLIC WORKS

Exhibit 25-G: Request for Funding Distribution Change (Local ATP Projects)

To: Smita Parikh Date: 6/22/2023

District Local Assistance Engineer
Caltrans, Office of Local Assistance
PPNO: 6043

100 S Main St, Los Angeles Federal PROJECT #: ATPL-5362(032)

CA, 90012 ATP ID #: ATP 7 Commerce, City of -1

ATP6-07-002S

<u>Project Name (Per CTC programming):</u> Slauson Avenue Corridor & Citywide Pedestrian, Bike, Transit Improvements

<u>Implementing Agency:</u> __City of Commerce

<u>Approved Project Description</u> (As submitted in Application): Project focuses on pedestrian, bike, & transit safety improvements along the 2.6-mile Slauson Avenue corridor & 10 other unsignalized intersections or midblock crossings citywide

<u>Approved Project Limits (As submitted in Application):</u> The 2.6-mile Slauson Avenue corridor between I-710 and I-5 freeways; and 10 unsignalized intersections or midblock crossings citywide.

Dear Ms. Parikh:

This ATP Cycle 6 Project in the City of Commerce was recommended for funding by the CTC at their December 2022 meeting. This project received ATP funding for the PA&ED, PS&E, and CON phases in the total amount of \$2,109,000. However, the City received Measure R funding from the Los Angeles County Metropolitan Transportation Authority (Metro) for the preliminary design, environmental analysis, and final design activities. As such, this request is being made to move all ATP funds in the PA&ED phase and all ATP funds in the PS&E phase to the CON phase. This project is still fully funded, and the scope and limits remain unchanged.

Consistent with the California Transportation Commission's (CTC) *Final Adopted 2021 ATP Guidelines*, Section 28. <u>Amendment Requests</u>, adopted on March 25, 2020, we request that Caltrans consider and the CTC approve the proposed Project Amendment Request as documented below:

A.	Is this request being made in the same state fiscal year in the funds have been programmed?
	Yes
\boxtimes	No
If '	"Yes" then your request is not eligible.
В.	Have any of the request funds been allocated?
	Yes
\boxtimes	No
	"Yes" then your request is not eligible for a Fund Distribution Change request. For funds that we been allocated, review <u>CTC</u> Final Adopted ATP Guidelines, "Project Cost Savings".
C.	Does this request propose to move funds out of Construction?
	Yes
\boxtimes	No
	If "Yes" then your request is not eligible.
D.	Has this project already received a Funding Distribution Change Request?
	Yes
\boxtimes	No
	If "Yes" then your request is not eligible.

E. Project Funding Chart

Phase/Funding	PA&ED	PS&E	ROW	CON	CON-NI
Program FY*	23/24	24/25		24/25	
Original \$	\$10,000	\$140,000		\$1,959,000	
Proposed \$	\$0	\$0		\$2,109,000	
Change (\$)	-\$10,000	-\$140,000		\$150,000	

^{*}FY- State fiscal year (i.e. July 1, 2019 through June 30, 2020 is shown as 19/20)

Other Elements (per CTC's Amendment Request Guidance):

1. The reason for the proposed Funding Distribution Change;

The City of Commerce received funding from Metro for environmental and design costs after the ATP application was submitted for recommendation. Because of this, the City would like to shift all ATP funding into the CON phase, where it can be fully captured.

2. The impact the proposed change would have on the overall cost of the Project. (The project must remain fully funded.)

There is no change in the overall cost of the project, please reference the revised PPR. The environmental and design costs are now funded through Measure R, monitored by Metro. If any additional costs arise, City local funds will be used. The project remains fully funded.

3. <u>Discussion of whether the Funding Distribution Change will affect the benefit of the project as described in the project application:</u>

There will be no impact on the benefit of the project as described in the project's application. The scope of work and Outcomes/Outputs remain unchanged by this funding distribution change.

4. For projects programmed in the Metropolitan Planning Organization (MPO) component, evidence of MPO approval and the MPO rationale for their approval.

This project is not programmed in the MPO component.

Caltrans supports this Request for Funding Distribution Change:
☐ Yes << For Caltrans HQ only>> ☐ No
Required revisions to the Project's Description and/or Limits: The proposed Project Amendments documented above will require the following changes to the Project's Description and/or Limits: Proposed changes to the Project Description: _N/A
Proposed changes to the Project Limits: N/A
For Federally Funded Projects: << Insert "N/A" if not applicable>>
Proposed changes to the FTIP/FSTIP Description: <u>N/A</u>
Proposed changes to the FTIP/FSTIP Limits: <u>N/A</u>
Project Delivery Status: The following is a side-by-side comparison of the original project schedule and the current project
schedule. The explanations for each milestone date change is listed below:
Anticipated CTC Allocation Dates (at the time of Application Submittal for funding): PA&ED: 8/16/23 PS&E: 8/14/24 R/W: CON: 12/10/25 CON-NI:
FAXED. <u>6/10/25</u> FSXE. <u>6/14/24</u> R/W CON. <u>12/10/25</u> CON-NI
Actual/New Anticipated CTC Allocation Dates (at the time of this request):
PA&ED: <u>N/A</u> PS&E: <u>N/A</u> R/W: CON: <u>5/15/24</u> CON-NI:
Explanation for milestone changes:
PA&ED: There will be no ATP funding after the funding distribution occurs and funds are shifted to CON.
PS&E: There will be no ATP funding after the funding distribution occurs and funds are shifted to CON.
R/W:
CON: <u>The project schedule has been accelerated</u> . As such, the anticipated CTC allocation date has been advanced to May 2024.
CON-NI:

Local Agency Certification:

This Request for Funding Distribution Change has been prepared in accordance with the *Procedures for Administering Local Projects in the Active Transportation Program (ATP)*. I certify that the information provided in the document is accurate and correct. I understand that if the required information has not been provided this form will be returned and the request may be delayed. Please advise us as soon as the scope change has been approved. You may direct any questions to

SECTION 1 - All Projects

Project Background

The Slauson Avenue Corridor & Citywide Pedestrian, Bike, Transit Improvements, in the City of Commerce, was approved for funding through the ATP Cycle 6 recommended statewide component, at the December 2022 CTC meeting. The project received PA&ED (FY23/24), PS&E (FY24/25), and CON (FY25/26) funds. No funds have been allocated and the project has not begun yet.

Programming Change Requested

This project received ATP funding for the PA&ED, PS&E, and CON phases in the total amount of \$2,109,000. However, the City received Measure R funding from the Los Angeles County Metropolitan Transportation Authority (Metro) for the preliminary design, environmental analysis, and final design activities. As such, this request is being made to move all ATP funds in the PA&ED phase and all ATP funds in the PS&E phase to the CON phase. This project is still fully funded, and the scope and limits remain unchanged.

Reason for Proposed Change

The City of Commerce received funding from Metro for environmental and design costs after the ATP application was submitted for recommendation. Because of this, the City would like to shift all ATP funding into the CON phase, where it can be fully captured.

If proposed change will delay one or more components, clearly explain 1) reason the delay, 2) cost increase related to the delay, and 3) how cost increase will be funded

There are no anticipated delays from this proposed change.
