Subject: **710 N. STUB RELINQUISHMENT UPDATE**

SUMMARY:

The Department of Transportation (Department) and the City of Pasadena (City) will be presenting to the California Transportation Commission (Commission) at the June 2024 meeting, an update and overview of progress on the State Route (SR) 710 North Stub Relinquishment efforts, as an informational item. This presentation will highlight the repurposing approach to the facility through a Reconnecting Communities Pilot planning grant that was awarded to the City.

BACKGROUND:

On August 15, 2022, the Department relinquished to the City a portion of SR 710 lying within the City limits, from Columbia Street to Union Street. Resolution R-4089 requires the Department to report annually to the Commission on the status of the relinquished facilities.
