# Memorandum

To: CHAIR AND COMMISSIONERS CTC Meeting: January 30-31, 2025

From: TANISHA TAYLOR, Executive Director

Reference Number: 4.5, Action

Published Date: January 17, 2025

Subject: 2024 Local Partnership Formulaic Program Initial Adoption, Resolution G-25-23

## **Recommendation:**

Staff recommends the California Transportation Commission (Commission) adopt the 2024 Local Partnership Formulaic Program of Projects, as identified in Attachment B.

#### Issue:

On August 15, 2024, the Commission adopted the 2024 Local Partnership Formulaic Program Funding Distribution, included for reference as Attachment C, for Fiscal Years 2025-26 and 2026-27, totaling \$216,745,000 for 50 eligible taxing authorities. Only the agencies listed in the adopted fund distribution are eligible to receive Formulaic Program funding. The adopted 2024 Local Partnership Formulaic Program Guidelines stipulate that the Commission will consider adopting an initial program of projects at the January 2025 meeting.

Six agencies submitted 12 project proposals by the November 15, 2024 deadline. The 12 project proposals requested a total of \$11,061,000 in Formulaic Program funds. Commission staff reviewed the project proposals to confirm eligibility and consistency with the approved guidelines. Throughout the review process, staff worked with applicant agencies to verify consistency with the guidelines and request updates before releasing staff recommendations.

Staff prepared a recommended project list and posted it on the Commission's website on January 17, 2025. The 2024 Local Partnership Formulaic Program of Projects will program seven projects for \$5,240,000 in Local Partnership Formulaic Program funds. Five project proposals submitted by the deadline are not being recommended due to Commission staff needing additional information or projects being deemed ineligible. Staff has communicated with the nominating agencies of the five projects, and it is anticipated that these projects will come forward for programming at a future meeting. Staff will continue to work with the nominating agencies to resolve these issues.

Forty-four agencies elected not to program their formulaic funds at this time. The 2024 Local Partnership Formulaic Program Guidelines allow agencies with adopted 2024 Formulaic Program funds to nominate projects for the 2024 Formulaic Program until April 28, 2028. After this agenda item's action, \$211,503,000 in remaining 2024 Local Partnership Formulaic funds will be available for programming until that date.

The 2024 Local Partnership Formulaic Program of Projects includes a diverse mix of transportation projects throughout the state, as listed in Attachment B. The following are examples of projects proposed for funding:

#### Town of Truckee

• The Reimagine Bridge Street Project in Nevada County will replace two existing four-way unsignalized intersections with coordinated traffic signals, and add pedestrian and bicycle facilities, railroad safety improvements, an ADA compliant sidewalk, lighting, landscaping, stormwater improvements, and underground utilities. These intersections are the two busiest in Downtown Truckee, are near affordable and senior housing, and are the economic hub of the Town. These operational improvements will improve pedestrian and bicycle mobility, vehicle safety, and are critical for improving the Town's local road system. The Town of Truckee is requesting to program \$400,000 in 2024 Local Partnership Formulaic funds for the Construction phase in Fiscal Year 2026-27.

### Fresno County Transportation Authority

• The Herndon Avenue Burlington Northern Santa Fe Railway (BNSF) Widening from Polk to Milburn Project in Fresno County will widen a four-lane bridge crossing over the BNSF railroad tracks to six-lanes, will add a Class I Bike Lane to Herndon Avenue between Polk and Milburn Avenues, and construct Americans with Disabilities Act compliant curb ramps. The multimodal improvements will eliminate an existing bottleneck and trail gap, reduce conflicts and traffic fatalities, and help with first/last mile connectivity to buses. Fresno County Transportation Authority is requesting to program \$4,055,000 in 2024 Local Partnership Formulaic funds for the Construction phase in Fiscal Year 2025-26.

# **Background:**

The Road Repair and Accountability Act of 2017 or Senate Bill 1 (Chapter 5, Beall, Statutes of 2017) established the Local Partnership Program. Assembly Bill 115 (Chapter 20, Committee on Budget, Statutes of 2017) clarified Senate Bill 1 language regarding local and regional transportation agency eligibility and expanded the types of projects eligible for the program. Senate Bill 1 continuously appropriates \$200 million annually to fund the Local Partnership Program and requires the Commission develop program guidelines in consultation with Caltrans, regional transportation planning agencies, local agencies, and other stakeholders. The Local Partnership Program provides funding to counties, cities, districts, and regional transportation agencies in which voters have approved fees, tolls, or taxes dedicated solely to transportation improvements or that have imposed fees, including uniform developer fees, dedicated solely to transportation improvements. Funding for the Local Partnership Program is divided into two programs: the Formulaic Program and the Competitive Program.
