Subject: Commissioner Meetings for Compensation

## **Recommendation:**

Staff recommends that the California Transportation Commission (Commission) approve the Commissioner meetings for compensation as provided in Attachment A.

## **Issue:**

Pursuant to Government Code Section 14509, each member of the Commission shall receive compensation of one hundred dollars (\$100) per day, but not to exceed eight hundred dollars (\$800) per month, for any Commission business authorized by the Commission during any month, when a majority of the Commission approves the compensation by a recorded vote. The need for up to eight days per diem per month is unique to the Commission in that its members must evaluate projects and issues throughout the state to carry out its responsibilities.
