

MEMORANDUM

To: CHAIR AND COMMISSIONERS
CALIFORNIA TRANSPORTATION COMMISSION

CTC Meeting: August 14-15, 2025

From: STEVEN KECK, Chief Financial Officer

Reference Number: 2.8v.(12), Action Item

Prepared By: Dee Lam, Chief
Division of Local Assistance

Subject: **TIME EXTENSION AMENDMENT FOR A LOCALLY-ADMINISTERED ACTIVE TRANSPORTATION PROGRAM PROJECT, OFF THE STATE HIGHWAY SYSTEM WAIVER 25-169, AMENDING WAIVER 25-126**

ISSUE:

Should the California Transportation Commission (Commission) amend the previously approved project allocation time extension for the locally-administered Active Transportation Program (ATP) Montclair SRTS Implementation Project (PPNO 1305A), in San Bernardino County, to revise the Construction (CON) phase amount?

RECOMMENDATION:

The California Department of Transportation (Department) recommends that the Commission amend the previously approved project allocation time extension for the locally-administered ATP Montclair SRTS Implementation Project (PPNO 1305A), in San Bernardino County, to revise the CON phase amount.

BACKGROUND:

In June 2025, the Commission approved a time extension to extend the period of project allocation for the CON phase of the locally-administered ATP Montclair SRTS Implementation Project (PPNO 1305A), under Waiver 25-126. At the time of approval, the CON phase amount was incorrectly reflected as \$76,000, instead of \$5,104,000. Therefore, the Department requests that the Commission approve this time extension amendment to reflect the correct CON phase amount.

RESOLUTION:

Be it Resolved, that the Commission does hereby amend the previously approved project allocation time extension for the locally-administered ATP Montclair SRTS Implementation Project (PPNO 1305A), to revise the CON phase amount.
