Subject: Local Partnership Formulaic Program Amendment, Resolution LPP-P-2526-01
Amending Resolution LPP-P-2425-09

Recommendation:

Staff recommends the California Transportation Commission (Commission) approve an amendment to the Local Partnership Formulaic Program with the following actions, which are individually noted in Attachment A:

- Program \$4,567,000 in supplemental funds to the State Route 132 Phase 2: Four-lane Expressway from Dakota Avenue to Needham Street Project in Stanislaus County.
- Deprogram \$216,000 from the SMART Rail Operations Equipment Expansion (Phase 3) Transit Project in Sonoma and Marin counties.
- Add three projects in Santa Barbara, Los Angeles, and Santa Clara Counties and program \$86,072,000.

Issue:

Commission staff reviewed each request to amend the Local Partnership Formulaic Program, and each request is summarized below:

- Stanislaus Council of Governments requests to amend the State Route 132 Phase 2: Four-lane Expressway from Dakota Avenue to Needham Street Project in Stanislaus County and program an additional \$2,371,000 of available 2022 Formulaic Program Funds and \$2,196,000 of available 2024 formulaic Program Funds. This action provides a total of an additional \$4,567,000 in supplemental funds in Fiscal Year 2025-26 to the already programmed \$3,217,000 for the Right of Way phase. The resulting total for this project will be \$7,784,000 in 2022 and 2024 Formulaic Program funds. The supplemental funds will cover additional Right of Way expenses that have resulted from the need to acquire additional parcels.

- Sonoma-Marin Area Rail Transit District requests to amend the SMART Rail Operations Equipment Expansion (Phase 3) Project in Sonoma and Marin counties and deprogram \$216,000 from the Construction phase, leaving a total of \$463,000 programmed to the phase. These funds were identified as cost savings at contract acceptance and were deallocated at the June 2025 Commission meeting and will be redistributed among eligible agencies in the future since they have surpassed the Timely Use of Funds deadline.
- Santa Barbara County Association of Governments requests to add the U.S. 101 Multimodal Corridor Project- Segment 4E North- Cabrillo Interchange in Santa Barbara County and program \$2,511,000 of its 2024 Formulaic Program funding to the Construction phase in Fiscal Year 2025-26. The project will construct High Occupancy Vehicle lanes to help reduce congestion and delays, improve goods movement, and provide a more efficient alternative route for north-south connectivity.
- Los Angeles County Metropolitan Transportation Authority requests to add the Vermont Transit Corridor Project in Los Angeles County and program \$6,024,000 of its 2022 Formulaic Program funding and \$75,037,000 of its 2024 Formulaic Program funding, for a total of \$81,061,000, to the Construction phase in Fiscal Year 2025-26. The project will build 12.4 miles of dedicated bus lanes and enhance 26 stations and 13 different locations to provide a transit alternative along Vermont Avenue and improve transit access to major activity and employment centers.
- Santa Clara Valley Transportation Authority requests to add the Bascom Complete Street (I-880 to Hamilton Avenue) Project in Santa Clara County and program \$2,500,000 of its 2022 Formulaic Program funding to the Right of Way phase in Fiscal Year 2025-26. The completed project will construct community-supported complete streets and safety improvements on Bascom Avenue and close sidewalk gaps, improve pedestrian crossings, add bike and transit features, and enhance safety for all travelers.

These actions leave \$40,974,000 of the 2022 Local Partnership Formulaic Program funding available for programming through June 30, 2026, and \$94,176,000 of the 2024 Local Partnership Formulaic Program funding available for programming through June 30, 2028.

Background:

Senate Bill (SB) 1 (Beall, Chapter 5, Statutes of 2017) created the Local Partnership Program. Assembly Bill 115 (Committee on Budget, Chapter 20, Statutes of 2017) clarified SB 1 language regarding local and regional transportation agency eligibility and expanded

the types of projects eligible for the program. SB 1 authorizes \$200 million annually to fund the Local Partnership Program.

The Local Partnership Formulaic Program provides funding to counties, cities, districts, and regional transportation agencies in which voters have approved fees, taxes, or tolls dedicated solely to transportation improvements. Only agencies included in the Commission-adopted Local Partnership Formulaic Program Funding Distribution are eligible to request funding for projects in the Local Partnership Formulaic Program.

Resolution LPP-P-2526-01:

Be it Resolved that the Commission does hereby amend the Local Partnership Formulaic Program to:

1. Program \$4,567,000 in supplemental funds to the State Route 132 Phase 2: Four-lane Expressway from Dakota Avenue to Needham Street Project in Stanislaus County.
2. Deprogram \$216,000 from the SMART Rail Operations Equipment Expansion (Phase 3) Transit Project in Sonoma and Marin counties.
3. Add three projects in Santa Barbara, Los Angeles, and Santa Clara Counties and program \$86,072,000.
