Subject: 2023 Active Transportation Program Metropolitan Planning Organization Component Amendment, Resolution G-25-61, Amending Resolution G-23-37

## **Recommendation:**

Staff recommends the California Transportation Commission (Commission) approve an amendment to the 2023 Active Transportation Program Metropolitan Planning Organization Component, as reflected in the updated Program of Projects (Attachment B).

## **Issue:**

The 2023 Active Transportation Program Metropolitan Planning Organization Component includes \$19,500,000 for the Alameda County Transportation Commission's East Bay Greenway Multimodal Project Phase 1. The Alameda County Transportation Commission identified that the project would be constructed and delivered in multiple packages. For timely tracking and reporting purposes, this program amendment would split the existing Construction phase into four individual segments, as reflected in Attachment B.

Specifically, the program amendment would:

1. Update the original project name, "East Bay Greenway Multimodal Project Phase 1" and create four new project segments, listed here:
  - a. Oakland North Construction Package 1
  - b. Oakland South Construction Package 2
  - c. San Leandro Construction Package 3
    - i. The \$19,500,000 million of Active Transportation Program funding will be programmed to this segment.
  - d. E 14<sup>th</sup> Construction Package 4
2. Update project descriptions and outputs for each segment identified above to match the locations of the segment that will be constructed and delivered as part of each separate contract.

This program amendment amends the project title, segments, project description and preserves the original programmed amount as well as the complete project scope.

Reference Number 4.13 on this agenda requests the Commission's approval of the Multi-funded Solutions for Congested Corridors Program and Active Transportation Program Baseline Agreement for East Bay Greenway Multimodal - North Segment Project Phase 1 which includes this amendment.

This amendment is consistent with the Active Transportation Program Guidelines.

**Background:**

On May 17, 2023, the Commission adopted the 2023 Active Transportation Program Metropolitan Planning Organization Component for the Metropolitan Transportation Commission. Resolution G-23-37 authorized Commission staff, in consultation with the California Department of Transportation and regional agencies, to make technical changes to cost, schedule, and project descriptions as needed the 2023 Active Transportation Program Metropolitan Planning Organization Component, to reflect the most current information or to clarify the Commission's programming commitments, and request any substantive changes be brought before the Commission for approval.

During the December 2023 Commission meeting, the Commission approved the original Baseline Agreement for East Bay Greenway Multimodal - North Segment Project Phase 1.

During the June 2025 Commission meeting, the Commission approved a time extension to extend the period of project allocation for East Bay Greenway Multimodal - North Segment Project Phase 1 to June 30, 2026.
