Subject: **ALLOCATION AMENDMENT FOR A TRANSIT AND INTERCITY RAIL CAPITAL PROGRAM COMPONENT**
RESOLUTION TIRCP-2526-31, AMENDING RESOLUTION TIRCP-2425-46

ISSUE:

Should the California Transportation Commission (Commission) approve an allocation amendment for the Transit and Intercity Rail Capital Program (TIRCP) (2023:10) Expanding Transit Services and Introducing Zero-Emission Fleets to California's North Coast (Crescent City Transit Center) component (PPNO CP116), in Del Norte County, to revise the project title, program code, and add the awardee note?

RECOMMENDATION:

The California Department of Transportation recommends that the Commission approve an allocation amendment for the TIRCP (2023:10) Expanding Transit Services and Introducing Zero-Emission Fleets to California's North Coast (Crescent City Transit Center) component (PPNO CP116), in Del Norte County, to revise the project title, program code, and add the awardee note.

BACKGROUND:

In January 2025, the Commission approved \$100,000 for the Project Approval and Environmental Document (PA&ED) phase of the Crescent City Transit Center component (PPNO CP116), under Resolution TIRCP-2425-46. At the time of allocation, the vote box did not reflect the project title and awardee note as initially awarded. Since then, the program code has been revised. Therefore, this amendment is requested to revise the project title from (2023:10) Expanding Transit Services and Introducing Zero-Emission Fleets to California's North Coast, to (2023:10) Expanding Transit Service and Growing Zero-Emission Fleets on

California's North Coast, adding the awardee note, and revising the program code from 30.20.301.100 to 30.20.301.200.

The proposed changes are reflected in strikethrough and bold in the attached revised vote box. There is no change to the allocation amount.

FINANCIAL RESOLUTION:

Resolved, that the TIRCP (2023:10) Expanding Transit Services and Introducing Zero-Emission Fleets to California's North Coast (Crescent City Transit Center) component (PPNO CP116), is hereby amended to revise the project title, program code, and add the awardee note, in accordance with the attached revised vote box.

Outcome/Output: The new Crescent City Transit Center will increase ridership, reduce GHG emissions, improve passenger comfort, safety, protection from the elements, and provide the agency a more flexible fleet, multi-modal, and electric fleet transition.

In April 2023, TIRCP 2023:10 was awarded \$8,612,000 Cycle 6 General Fund New Project funding.

Humboldt Transit Authority is the Awardee and Redwood Coast Transit Authority is the Implementing Agency.

Amend Resolution TIRCP-2425-46 to revise the project title, program code, and add the awardee note. There is no change to the allocation amount.
