

# Memorandum

To: CHAIR AND COMMISSIONERS

CTC Meeting: December 4-5, 2025

From: TANISHA TAYLOR, Executive Director

Reference Number: 4.10, Action

Prepared By: Leishara Ward  
Associate Deputy Director

Published Date: November 21, 2025

Subject: Approval of Four 2024 Local Partnership Competitive Program Baseline Agreements, Resolution LPP-P-2526-06B

## **Recommendation:**

Staff recommends the California Transportation Commission (Commission) approve four 2024 Local Partnership Competitive Program Baseline Agreements submitted in accordance with the Commission's Senate Bill (SB) 1 Accountability and Transparency Guidelines and establish these agreements as the basis for project delivery and monitoring.

PPNO	County	Implementing Agency	Project Title <i>(With embedded link to agreement)</i>
07-6462	Los Angeles	Los Angeles County Metropolitan Transportation Authority	Zero Emission Bus (34 Battery Electric Buses, Division 7)
03-1809	Sacramento	City of Sacramento	I Street Bridge Replacement
11-1629	San Diego	City of San Diego	Streamview Drive Revitalization Project Phase II
10-3699	Stanislaus	Stanislaus Council of Governments	Seventh Street Bridge Replacement

## **Issue:**

The implementing agencies request the Commission approve the 2024 Local Partnership Competitive Program Baseline Agreements for these projects, which were programmed as part of the 2024 Local Partnership Competitive Program.

These Baseline Agreements were submitted in accordance with the Commission's SB 1 Accountability and Transparency Guidelines. Approval of these Baseline Agreements will establish the basis for project delivery and monitoring.

Commission staff has reviewed these Baseline Agreements and determined that the expected benefits, project scope, delivery schedule, project cost, and funding plan are consistent with the project approved by the Commission.

**Background:**

The Commission adopted the SB 1 Accountability and Transparency Guidelines on May 15, 2025. The Guidelines direct agencies to provide executed Baseline Agreements that set forth the agreed-upon expected benefits, delivery schedule, project cost, and funding plan. The Baseline Agreement provides a benchmark for comparison to the current status of a project for subsequent reporting purposes. The Baseline Agreement must be signed by the Caltrans Director and District Director, the Commission's Executive Director, the project applicant, and the implementing agency.
