Subject: Local Partnership Formulaic Program Amendment, Resolution LPP-P-2526-11,
Amending Resolution LPP-P-2526-10

Recommendation:

Staff recommends the California Transportation Commission (Commission) approve an amendment to the Local Partnership Formulaic Program with the following actions, which are individually noted in Attachment A:

- Program \$21,000 in Supplemental Funds to the Avenue 15 Road Rehabilitation Project in Madera County.
- Add six projects in Madera, Contra Costa, Sacramento, and Santa Cruz Counties and program \$8,834,000.

Issue:

Commission staff reviewed each request to amend the Local Partnership Formulaic Program, and each request is summarized below:

- Madera County Transportation Authority requests to amend the Avenue 15 Road Rehabilitation Project in Madera County and program an additional \$21,000 in supplemental funds from its remaining 2022 Formulaic Program funding to the Construction phase in Fiscal Year 2025-26. This action adds \$21,000 in 2022 Formulaic Program funds to the already programmed \$492,000, resulting in a total of \$513,000 in 2022 Formulaic Program funds on the Construction phase. The supplemental funds will cover an increase in project costs due to the required rehabilitation plan. The project will rehabilitate over five miles of roadway and install several safety features to make travel along the corridor more efficient.
- Madera County Transportation Authority requests to add the FY24 Street Rehabilitation and Reconstruction Project in Madera County and program \$360,000 of its 2024 Formulaic Program funds to the Construction phase in Fiscal Year 2025-26. The project will rehabilitate over one mile of road, which will improve pavement structure, traffic circulation, and safety for users.

- City of El Cerrito requests to add the Richmond Street Complete Streets Improvements Project in Contra Costa County and program \$400,000 of its 2022 Formulaic Program funds and \$400,000 of its 2024 Formulaic Program funds to the Construction phase in Fiscal Year 2025-26, for a total of \$800,000 in Formulaic Program funds. The project will enhance safety and connectivity for all users by rehabilitating pavement, calming vehicle speeds, improving safety features, and addressing accessibility and stormwater treatment compliance.
- Contra Costa Transportation Authority requests to add the Vasco Road Safety Improvements- Phase 2 Project in Contra Costa County and program \$4,883,000 of its 2024 Formulaic Program funds to the Construction phase in Fiscal Year 2026-27. The project will enhance roadway safety by continuing a concrete median barrier and making other improvements, which will reduce the risk of cross-median collisions while preserving traffic operations.
- Sacramento Transportation Authority requests to add two projects in Sacramento County:
 - Add the Purchase of Six Paratransit Buses Project and program \$594,000 of its 2022 Formulaic Program funds to the Construction phase in Fiscal Year 2025-26.
 - Add the Purchase of Nine Paratransit Buses Project and program \$904,000 of its 2024 Formulaic Program funds to the Construction phase in Fiscal Year 2025-26.

Together, the projects will allow Sacramento Regional Transit (SacRT) to replace a total of 15 paratransit buses that have reached the end of their useful life for daily transit service and enable SacRT to continue to meet the needs of users in the area.

- Santa Cruz Metropolitan Transit District requests to add the Santa Cruz Zero Emission Intercity Transit Service Expansion Project: Local Roadway Rapid Bus Improvements – Soquel Drive and Highway 152 Project in Santa Cruz County and program \$654,000 of its 2022 Formulaic Program funds to the Plans, Specifications, and Estimates phase in Fiscal Year 2025-26 and \$639,000 of its 2024 Formulaic Program funds to the Construction phase in Fiscal Year 2026-27. The project will upgrade transit boarding islands, crosswalk signals, bus shelters, and bus-only lanes to reduce delays and increase bike lane safety.

These actions leave \$16,632,000 of the 2022 Local Partnership Formulaic Program funding available for programming through June 30, 2026, and \$80,056,000 of the 2024 Local Partnership Formulaic Program funding available for programming through June 30, 2028.

Background:

Senate Bill (SB) 1 (Beall, Chapter 5, Statutes of 2017) created the Local Partnership Program. Assembly Bill 115 (Committee on Budget, Chapter 20, Statutes of 2017) clarified SB 1 language regarding local and regional transportation agency eligibility and expanded the types of projects eligible for the program. SB 1 authorizes \$200 million annually to fund the Local Partnership Program.

The Local Partnership Formulaic Program provides funding to counties, cities, districts, and regional transportation agencies in which voters have approved fees, taxes, or tolls dedicated solely to transportation improvements. Only agencies included in the Commission-adopted Local Partnership Formulaic Program Funding Distribution are eligible to request funding for projects in the Local Partnership Formulaic Program.

Resolution LPP-P-2526-11:

Be it Resolved that the Commission does hereby amend the Local Partnership Formulaic Program to:

1. Program \$21,000 in Supplemental Funds to the Avenue 15 Road Rehabilitation Project in Madera County.
2. Add six projects in Madera, Contra Costa, Sacramento, and Santa Cruz Counties and program \$8,834,000.
