Subject: **FISCAL YEAR 2026-27 STATE HIGHWAY OPERATION AND PROTECTION PROGRAM MINOR CONSTRUCTION PROGRAM ANNUAL ALLOCATION RESOLUTION FM-25-04**

ISSUE:

Should the California Transportation Commission (Commission) approve Resolution FM-25-04 allocating an annual allocation amount of \$250,000,000 for the 2026-27 State Highway Operation and Protection Program (SHOPP) Minor Program?

RECOMMENDATION:

The California Department of Transportation (Department) recommends that the Commission approve Resolution FM-25-04 allocating an annual allocation amount of \$250,000,000 (\$149,946,178 for construction capital and \$100,053,822 for capital outlay support) for the 2026-27 SHOPP Minor Program.

The 2026-27 annual allocation of \$250,000,000 amount is distributed as follows:

Construction Capital	
Minor A Projects	\$65,845,000
Minor B	\$57,742,000
Minor B Reservation	\$20,853,178
Right of Way	\$4,087,000
Day Labor	\$1,419,000
Capital Outlay Support	\$100,053,822
Total	\$250,000,000

(NOTE: A portion of the Minor B amount for each District is used at the District's discretion for unforeseen immediate needs and/or emergency project(s) that are unknown at this time.)

BACKGROUND:

At its October 2019 meeting, the Commission passed Resolution G-19-05a increasing the Minor Program to \$250,000,000, and delegating to the Department the sub-allocation and adjustment authority for minor capital construction projects. The resolution also requires the Department to present its Minor Program annually to the Commission for review and approval. In addition, the resolution states that the following project identifiers be included for each project allocations in the upcoming fiscal year:

- Project description, location, expenditure authorization number and performance measures.
- Program sum for day labor (material acquisitions only), right of way capital, construction capital and construction support.
- An annual allocation amount for the construction capital and support costs and right of way capital of Minor B projects.

In accordance with Resolution G-19-05a, the Department, in consultation with Commission staff, has reviewed the Minor Program project lists as shown on each of the attachments.

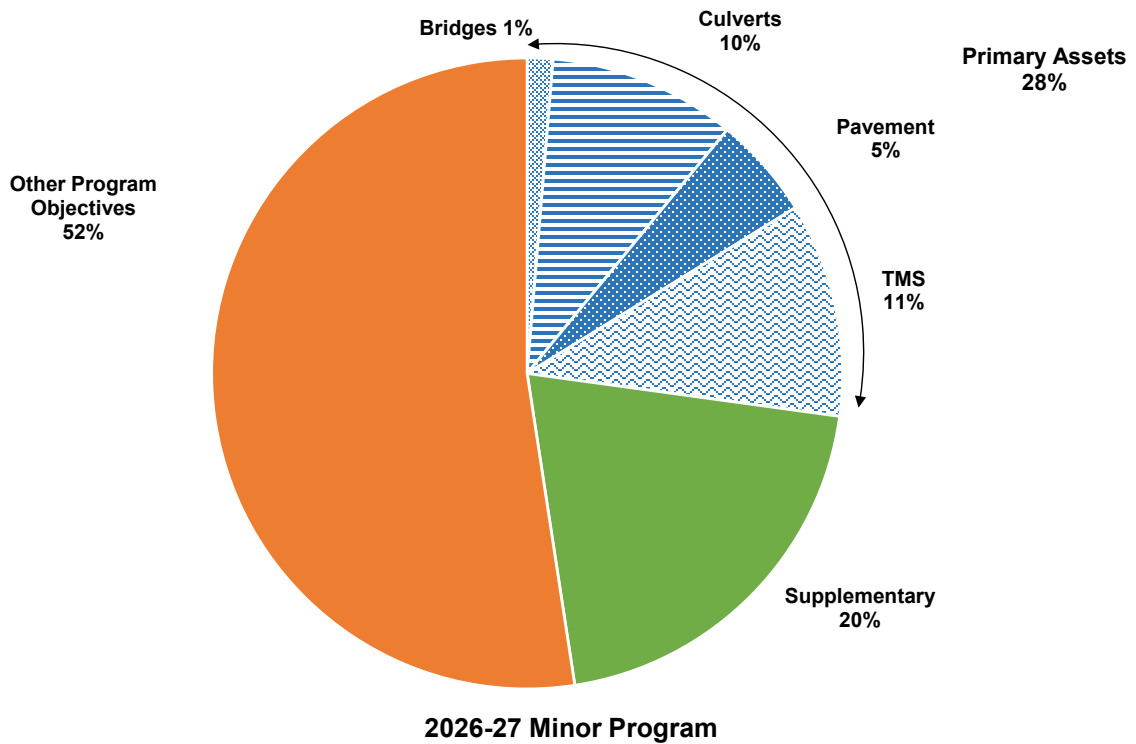

FINANCIAL RESOLUTION:

Resolved, that the amount of \$149,946,178 for construction be allocated from the Budget Act of 2026, Budget Act Items 2660-302-0042, 2660-302-0890 and 2660-303-0042, and \$100,053,822 for capital outlay support, as a lump sum amount for the Minor Program for 2026-27, contingent upon the passage of the Budget Act of 2026.
