Subject: FISCAL YEAR 2026-27 AERONAUTICS ANNUAL ALLOCATION TO MATCH
FEDERAL AIRPORT IMPROVEMENT PROGRAM GRANTS
RESOLUTION FDOA-2026-01

ISSUE:

Should the California Transportation Commission (Commission) approve the attached Resolution FDOA-2026-01, allocating \$2,500,000 for the Division of Aeronautics (Aeronautics) Fiscal Year 2026-27 Annual Allocation to match Federal Airport Improvement Program (AIP) grants?

RECOMMENDATION:

The California Department of Transportation (Department) recommends the approval of Resolution FDOA-2026-01, allocating \$2,500,000 for the 2026-27 Aeronautics Annual Allocation to match Federal AIP grants.

BACKGROUND:

Each year the Commission approves an annual allocation to match Federal AIP grants. This allocation provides the authority for the Department to subvent matching funds to individual projects as requested by airport sponsors.

The Department provides Commission staff with quarterly reports on allocations for AIP matching grant funds. The reports show the sponsor's name, the airport name, a project description, as well as funded amounts and the project's district location.

The attached Resolution proposes to renew the delegation for the allocation of State funds to match the Federal AIP grants. Approval of this Resolution is contingent upon the passage of the Budget Act of 2026 and is consistent with the 2026 Aeronautics Fund Estimate.

FINANCIAL RESOLUTION:

Resolved that Resolution FDOA-2026-01 is approved to authorize an annual allocation of \$2,500,000 to match Federal AIP grants in accordance with the following resolution.
