

MEMORANDUM

To: CHAIR AND COMMISSIONERS
CALIFORNIA TRANSPORTATION COMMISSION

CTC Meeting: June 25-26, 2026

From: STEVEN KECK, Chief Financial Officer

Reference Number: 2.6g.(2), Action Item

Prepared By: Jeffrey Wyly, Chief (Acting)
Division of Mass Transportation

Subject: **ALLOCATION AMENDMENT FOR A TRANSIT AND INTERCITY RAIL CAPITAL PROGRAM COMPONENT**
RESOLUTION TIRCP-2526-72, AMENDING RESOLUTION TIRCP-2223-82

ISSUE:

Should the California Transportation Commission (Commission) approve an allocation amendment for the Transit and Intercity Rail Capital Program (TIRCP) (2020:03) Sacramento Valley Station (SVS) Transit Center (New Northside Station Access) component (PPNO CP061A), in Sacramento County, to revise the recipient?

RECOMMENDATION:

The California Department of Transportation recommends that the Commission approve an allocation amendment for the TIRCP (2020:03) Sacramento Valley Station (SVS) Transit Center (New Northside Station Access) component (PPNO CP061A), in Sacramento County, to revise the recipient.

BACKGROUND:

In June 2023, the Commission approved \$3,194,000 for the Construction (CON) phase of the TIRCP (2020:03) Sacramento Valley Station (SVS) Transit Center (New Northside Station Access) component (PPNO CP061A), under Resolution TIRCP-2223-82. At the time of allocation, the recipient was identified as Capitol Corridor Joint Powers Authority, however, the City of Sacramento will be the implementing agency, therefore this allocation amendment is needed to accurately reflect the recipient.

The proposed change is reflected in strikethrough and bold in the attached revised vote box. There is no change to the allocation amount.

FINANCIAL RESOLUTION:

Resolved, that the TIRCP (2020:03) Sacramento Valley Station (SVS) Transit Center (New Northside Station Access) component (PPNO CP061A), is hereby amended to revise the recipient, in accordance with the attached revised vote box.
