Subject: **ALLOCATION AMENDMENT FOR A LOCALLY-ADMINISTERED STATE
TRANSPORTATION IMPROVEMENT PROGRAM PROJECT, OFF THE STATE
HIGHWAY SYSTEM
RESOLUTION FP-26-16, AMENDING RESOLUTION FP-25-95**

ISSUE:

Should the California Transportation Commission (Commission) approve an allocation amendment for the locally-administered State Transportation Improvement Program (STIP) Indian Peak Road Rehabilitation project (PPNO 3548), off the State Highway System, in Mariposa County, to revise the project description?

RECOMMENDATION:

The California Department of Transportation recommends that the Commission approve an allocation amendment for the locally-administered STIP Indian Peak Road Rehabilitation project (PPNO 3548), off the State Highway System, in Mariposa County, to revise the project description.

BACKGROUND:

In May 2026, the Commission approved \$785,000 for the Construction phase of the locally-administered STIP Indian Peak Road Rehabilitation project (PPNO 3548), under Resolution FP-25-95. At the time of allocation, the project description was inadvertently listed incorrectly in the vote box as Hot Mix Asphalt (HMA) instead of chip seal. The project was programmed as a chip seal rehabilitation project. Therefore, the responsible agency is requesting this allocation amendment to revise the project description accordingly. The proposed change is reflected in strikethrough and bold in the attached revised vote box. There is no change to the scope or allocation amount.

The proposed change is reflected in strikethrough and bold in the attached revised vote box. There is no change to the allocation amount.

FINANCIAL RESOLUTION:

Resolved, that the locally-administered STIP Indian Peak Road Rehabilitation project (PPNO 3548), is hereby amended to revise the project description, in accordance with the attached revised vote box.
