CTC Meeting: August 20-21, 2026

From: STEVEN KECK, Chief Financial Officer

Reference Number: 2.4c.(1), Action Item

Prepared By: René Fletcher, Chief
Division of Right of Way and Land Surveys

Subject: **AIRSPACE LEASE – REQUEST FOR CONSENT TO DIRECTLY NEGOTIATE
WITH TELEGRAPH BUSINESS PROPERTIES, LLC, IN ALAMEDA COUNTY**

ISSUE:

Should the California Transportation Commission (Commission) approve a request by the California Department of Transportation (Department) to directly negotiate a long-term lease with Telegraph Business Properties, LLC, in Alameda County?

RECOMMENDATION:

The Department recommends that the Commission approve a request to directly negotiate a long-term lease with Telegraph Business Properties, LLC, located in Alameda County.

BACKGROUND:

Telegraph Business Properties, LLC, operates a retail/office/creative space building adjacent to the State Route 24 right of way in the City of Oakland. They have leased the adjoining site for additional parking from the Department since August 1, 1991. The lease area is long, narrow, and rectangularly shaped, which is adjacent to a large concrete freeway retaining wall.

The site is landlocked, with no public access from the street. It serves no functional purpose for anyone other than the adjacent owner, and no other neighboring properties can access it. As a result, the site is only useful to the adjoining property owner or prospective tenant who is using it for parking.

BENEFITS:

It is in the State's interest to lease this airspace site through direct negotiation because the site is only accessible and usable by the proposed/current lessee.

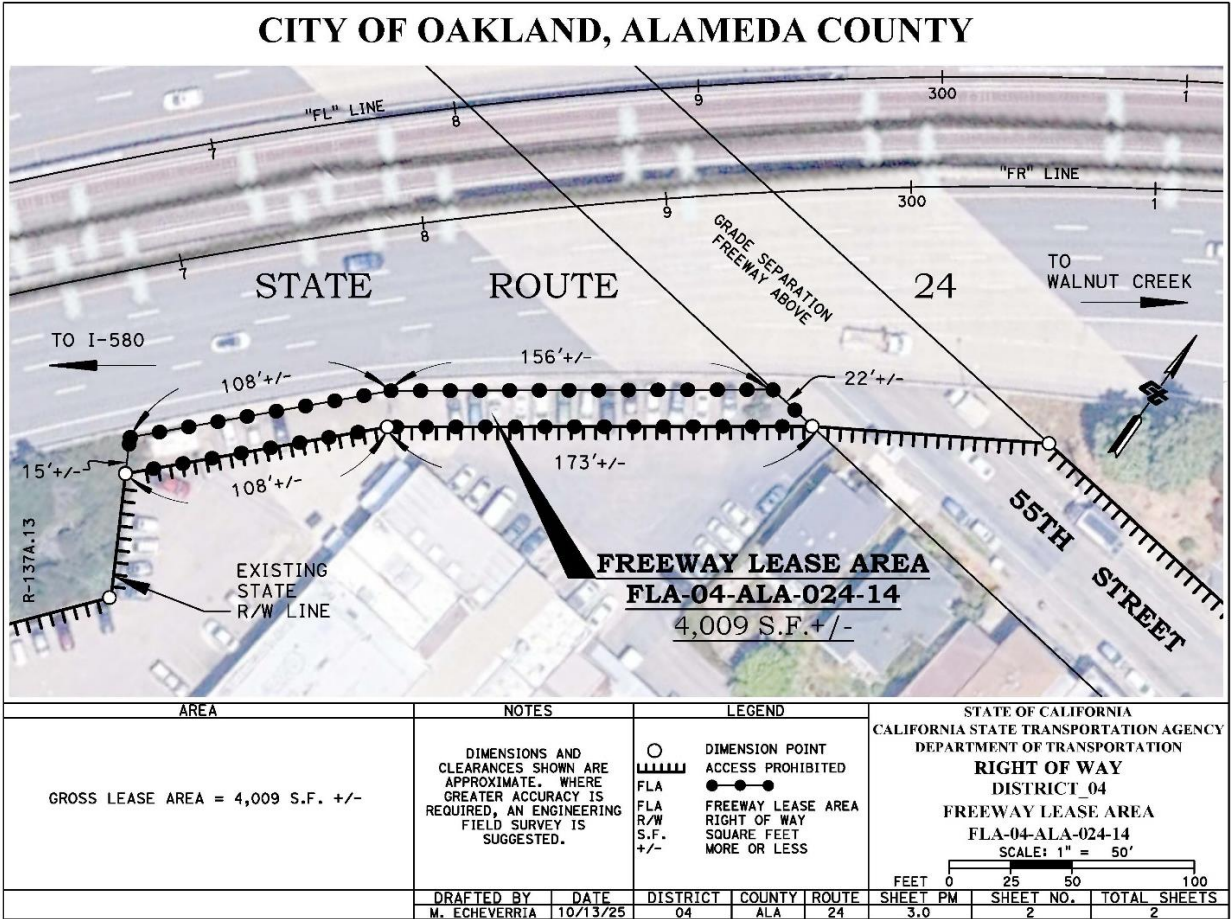

Leasing this site to the proposed/current lessee relieves the Department of maintenance problems and does not detract from the safety and aesthetics of the Department's right of way. The negotiated rental rate will be at fair market rent.
