Subject: **AIRSPACE LEASE – REQUEST FOR CONSENT TO DIRECTLY NEGOTIATE WITH MOHSIN SAID ALI HASSAN, IN CONTRA COSTA COUNTY**

ISSUE:

Should the California Transportation Commission (Commission) approve a request by the California Department of Transportation (Department) to directly negotiate a long-term lease with Mohsin Said Ali Hassan, in Contra Costa County?

RECOMMENDATION:

The Department recommends that the Commission approve a request to directly negotiate a long-term lease with Mohsin Said Ali Hassan, located in Contra Costa County.

BACKGROUND:

Mohsin Said Ali Hassan operates a standalone retail building located adjacent to the State Route (SR) 24 right of way in the City of Walnut Creek. Although Mr. Hassan's property does have some parking available, he has leased the adjoining site for additional parking from the Department since November 1, 2014. Prior owners of the building site leased this site for parking since 1974. The lease area is roughly rectangular in shape and adjacent to the off-ramp from SR 24 as it empties onto Mount Diablo Blvd.

The site is landlocked, with no public access from Boulevard Circle, Boulevard Way, or Mount Diablo Boulevard. It serves no functional purpose for anyone other than the adjacent owner, and no other neighboring properties have access. As a result, the site is only useful to the adjoining property owner or prospective tenant who is using it for parking.

BENEFITS:

It is in the State's interest to lease this airspace site through direct negotiation because the site is only accessible and usable by the proposed/current lessee.

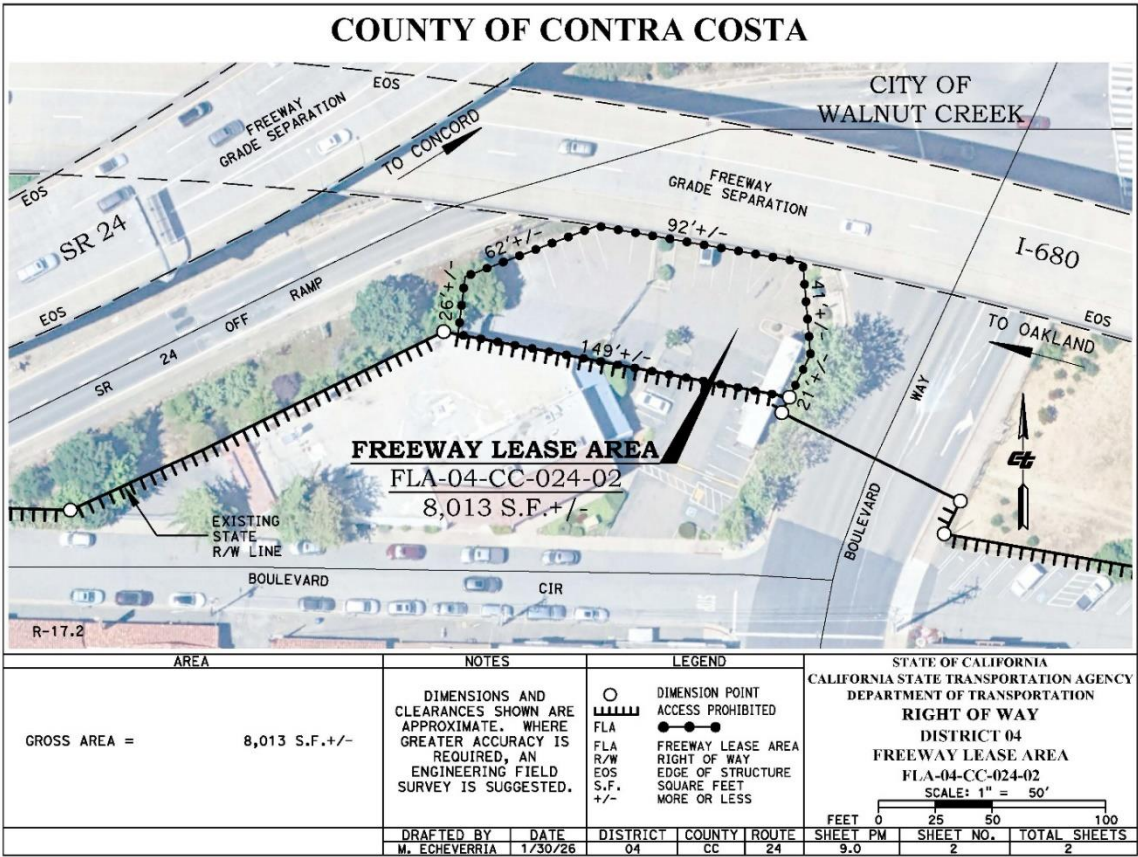

Leasing this site to the proposed/current lessee relieves the Department of maintenance problems and does not detract from the safety and aesthetics of the adjoining off-ramp. The negotiated rental rate will be at fair market rent.
