

MEMORANDUM

To: CHAIR AND COMMISSIONERS
CALIFORNIA TRANSPORTATION COMMISSION

CTC Meeting: October 15-16, 2026

From: STEVEN KECK, Chief Financial Officer

Reference Number: 2.5w.(6), Action Item

Prepared By: Angel Pyle, Chief (Acting)
Division of Local Assistance

Subject: **ALLOCATION AMENDMENT FOR A LOCALLY-ADMINISTERED ACTIVE
TRANSPORTATION PROGRAM PROJECT, OFF THE STATE HIGHWAY SYSTEM
RESOLUTION FATP-2627-06, AMENDING RESOLUTION FATP-2223-23**

ISSUE:

Should the California Transportation Commission (Commission) approve an allocation amendment for the locally-administered Active Transportation Program (ATP) Dry Creek Greenway Multi-Use Trail Project (PPNO 1526A), off the State Highway System, in Placer County, to add the combined project note and infrastructure note?

RECOMMENDATION:

The California Department of Transportation recommends that the Commission approve an allocation amendment for the locally-administered ATP Dry Creek Greenway Multi-Use Trail Project (PPNO 1526A), off the State Highway System, in Placer County, to add the combined project note and infrastructure note.

BACKGROUND:

In March 2023, the Commission allocated \$4,318,000 for the locally-administered ATP Dry Creek Greenway Multi-Use Trail Project (PPNO 1526A), under Resolution FATP-2223-23. The project is a multi-funded ATP and Senate Bill 1 Solutions for Congested Corridors project, however at the time of allocation it was presented and approved separately but should have been combined. The infrastructure note was also omitted at the time of initial allocation. Therefore, the combined project note and the infrastructure note need to be added to the vote box.

The change is reflected in bold in the attached revised vote box. There is no change to the allocation amount.

FINANCIAL RESOLUTION:

Resolved, that the locally-administered ATP Dry Creek Greenway Multi-Use Trail Project (PPNO 1526A), is hereby amended to add the combined project note and infrastructure note, in accordance with the attached revised vote box.
