Subject: Local Partnership Formulaic Program Amendment, Resolution LPP-P-2627-03,
Amending Resolution LPP-P-2627-01

Recommendation:

Staff recommend the California Transportation Commission (Commission) approve an amendment to the Local Partnership Formulaic Program with the following action:

- Add the Downtown Pedestrian and Bicycle Crossing of US 101 project in Sonoma County and program \$1,117,000 to the Construction phase in Fiscal Year 2026-27.

Issue:

The Sonoma County Transportation Authority requests to add the Downtown Pedestrian and Bicycle Crossing of US 101 project in Sonoma County and program \$1,117,000 to the Construction phase in Fiscal Year 2026-27.

This project will improve the existing US 101 underpass at the interchange of US 101 and Old Redwood Highway in the Town of Windsor. The project includes a widened dedicated two-way bicycle lane and pedestrian area, curb ramp bulb-outs, buffers from motorized vehicles, and lighting improvements including two traffic signal modifications at the southbound ramps and the northbound off-ramp at the Lakewood Road intersection. The Project will improve bicycle and pedestrian safety, accessibility, and connectivity. These improvements will reduce conflicts between vehicles, bicyclists, and pedestrians, provide a lower stress and more comfortable route through the US 101 undercrossing, improve accessibility for people of all ages and abilities, and strengthen multimodal connectivity between the east and west sides of Windsor.

This action leaves \$65,429,000 of 2024 Local Partnership Formulaic Program funding available through June 30, 2028, and \$190,764,000 of 2026 Local Partnership Formulaic Program funding available for programming through June 30, 2030.

Background:

Senate Bill (SB) 1 (Beall, Chapter 5, Statutes of 2017) created the Local Partnership Program. Assembly Bill 115 (Committee on Budget, Chapter 20, Statutes of 2017) clarified SB 1 language regarding local and regional transportation agency eligibility and expanded the types of projects eligible for the program. SB 1 authorizes \$200 million annually to fund the Local Partnership Program.

The Local Partnership Formulaic Program provides funding to counties, cities, districts, and regional transportation agencies in which voters have approved fees, taxes, or tolls dedicated solely to transportation improvements. Only agencies included in the Commission-adopted Local Partnership Formulaic Program Funding Distribution are eligible to request funding for projects in the Local Partnership Formulaic Program.

Resolution LPP-P-2627-03:

Be it Resolved that the Commission does hereby amend the Local Partnership Formulaic Program to:

1. Add the Downtown Pedestrian and Bicycle Crossing of US 101 project in Sonoma County and program \$1,117,000 to the Construction phase in Fiscal Year 2026-27
