

California Transportation Commission

SAVE THE DATE

Local Transportation Infrastructure Climate Adaption Program Guidelines Development Workshop

The California Transportation Commission will be hosting the first workshop for the development of the Local Transportation Infrastructure Climate Adaption Program. The purpose of the workshop is for stakeholders to provide input as we start the development of the guidelines.

Thursday, October 13, 2022

1:30 pm – 3:30 pm

Cabrillo Pavilion

1118 East Cabrillo Boulevard

Santa Barbara, California

To register to participate via computer or tablet device, please visit:
