SHOPP Guidelines Update Public Workshop

Please mark your calendars for the upcoming California Transportation Commission guidelines update public workshop for the State Highway Operation and Protection Program (SHOPP). This virtual workshop will be an opportunity to review proposed changes in detail with the purpose of soliciting stakeholder input regarding the proposed updates. A workshop agenda and details will follow at a later date.

**Tuesday, August 20, 2024
9:00 a.m.**

To participate via Zoom, please register at:

https://zoom.us/webinar/register/WN_-2Joo9r5RjmShZkkTAIhWQ

Additional details and agenda materials will be made available prior to the workshop on the [Commission's website](#).

Additional information regarding the SHOPP Program can be found [here](#).
