Regional Transportation Planning and Programming

- Metropolitan Planning Organizations and Regional Transportation Planning Agencies are required by law to prepare Regional Transportation Plans every 4-5 years
- Regional Transportation Plans describe a region's transportation vision and goals and include a fiscally constrained project list – the Regional Transportation Improvement Program

Regional Transportation Plan Guidelines

- The CTC is updating the Regional Transportation Plan Guidelines
- A second public draft will be released on October 6th, and the Guidelines are anticipated to be adopted in January 2024
