Installation
March 2024**

Call for action/needs

- Direct funding to CBO's for traffic safety education and encouragement
- Five D's from [People for Mobility Justice](#)' alternative framework to the five E's
- Decolonize, Decongest, Decriminalize, Dignify, Dream

Please join us as we ride in memory of the cyclists that have been killed or injured while cycling on public roadways.

We will provide bike safety information and materials before the ride. Helmets required to participate.

Date: Wednesday, May 15, 2024

Location: The Bicycle Tree, 702 W. 17th St. Unit C,

Santa Ana, CA 92706

Roll Out Time: 7:00pm

Santa Ana Active Streets is contracted by the City's Public Works Traffic Engineering Division to host education and interactive events around traffic safety. Funding for this program is provided by a grant from the California Office of Traffic Safety, through the National Highway Traffic Safety Administration.
