

# INTERAGENCY EQUITY ADVISORY COMMITTEE

## Tab 10 – Committee Discussion of Key Vision, Mission, and Policy Principles for Transportation Equity

August 22, 2024

# Background

The development of a vision, mission statement, and policy principles for improving equitable outcomes in transportation is an **ongoing priority** for the Committee.

## **The mission and vision can:**

- Uplift important policy principles and strategies.
- Help inform a universal understanding of transportation equity.
- Serve as the basis for relevant policies and objectives recommended by the Committee and practiced within each agency.

# Resources

- California Governor's Executive Order N-16-22
- CTC Racial Equity Statement
- Caltrans Equity Statement
- CalSTA Statement on Racial Equity, Justice and Inclusion in Transportation
- California Energy Commission and California Public Utilities Commission Disadvantaged Communities Advisory Group Equity Framework
- United States Department of Transportation Policy Statement: Equity and Access
- United States Department of Transportation Advisory Committee on Transportation Equity Charter (Sections 1 – 3)
- People for Mobility Justice: Mission and Vision

# Guiding Questions

- What are some **key considerations** for the development of a vision and mission statement for the Committee?
- What are **important policy principles and objectives** for improving equitable outcomes in transportation equity?

# Next Steps

## **Identify high level principles needed for effective and clear statement.**

- What are the priority focus areas of this vision and mission statement? How do they relate to the Committee scope?
- What purpose will the statement serve?
- Who will refer to the statement? How will the statement be used?

## **Determine who will work on the vision and mission statement, and how it will be completed.**

- Will the statement be developed by 1) subject matter experts, 2) ad hoc subcommittee, or 3) the full Committee?
- When should it be completed?
