Survey Results: Is the Subcommittee effective in engaging in advisory opportunities?

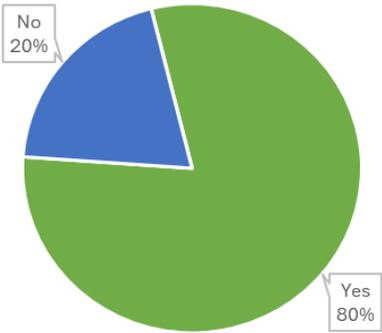

Community Engagement Policies and Practices

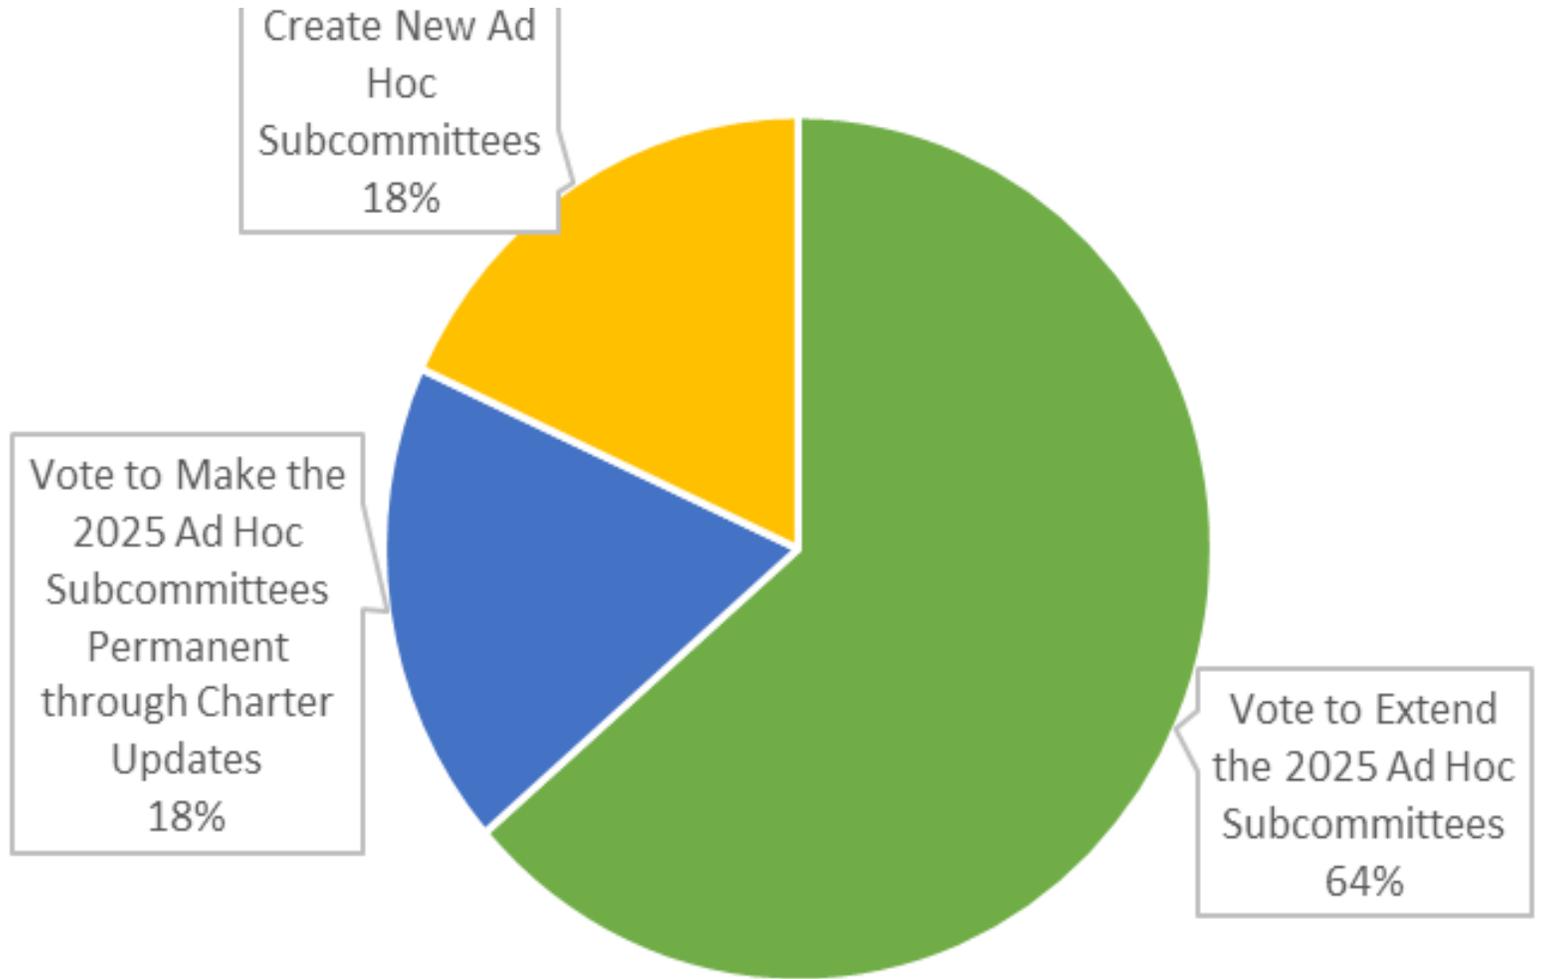

Transportation Planning and Program Guidance

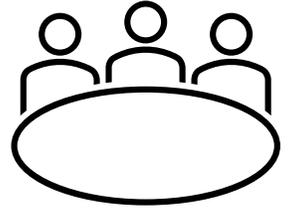

Data Implementation

Survey Results: 2026 Subcommittee Preferences

Recommendation: Extend Three Ad Hoc Subcommittees

Staff recommend the extension of the three 2025 ad hoc subcommittees for 2026:

1. Community Engagement Policies and Practices
2. Transportation Planning and Program Guidance
3. Data Implementation

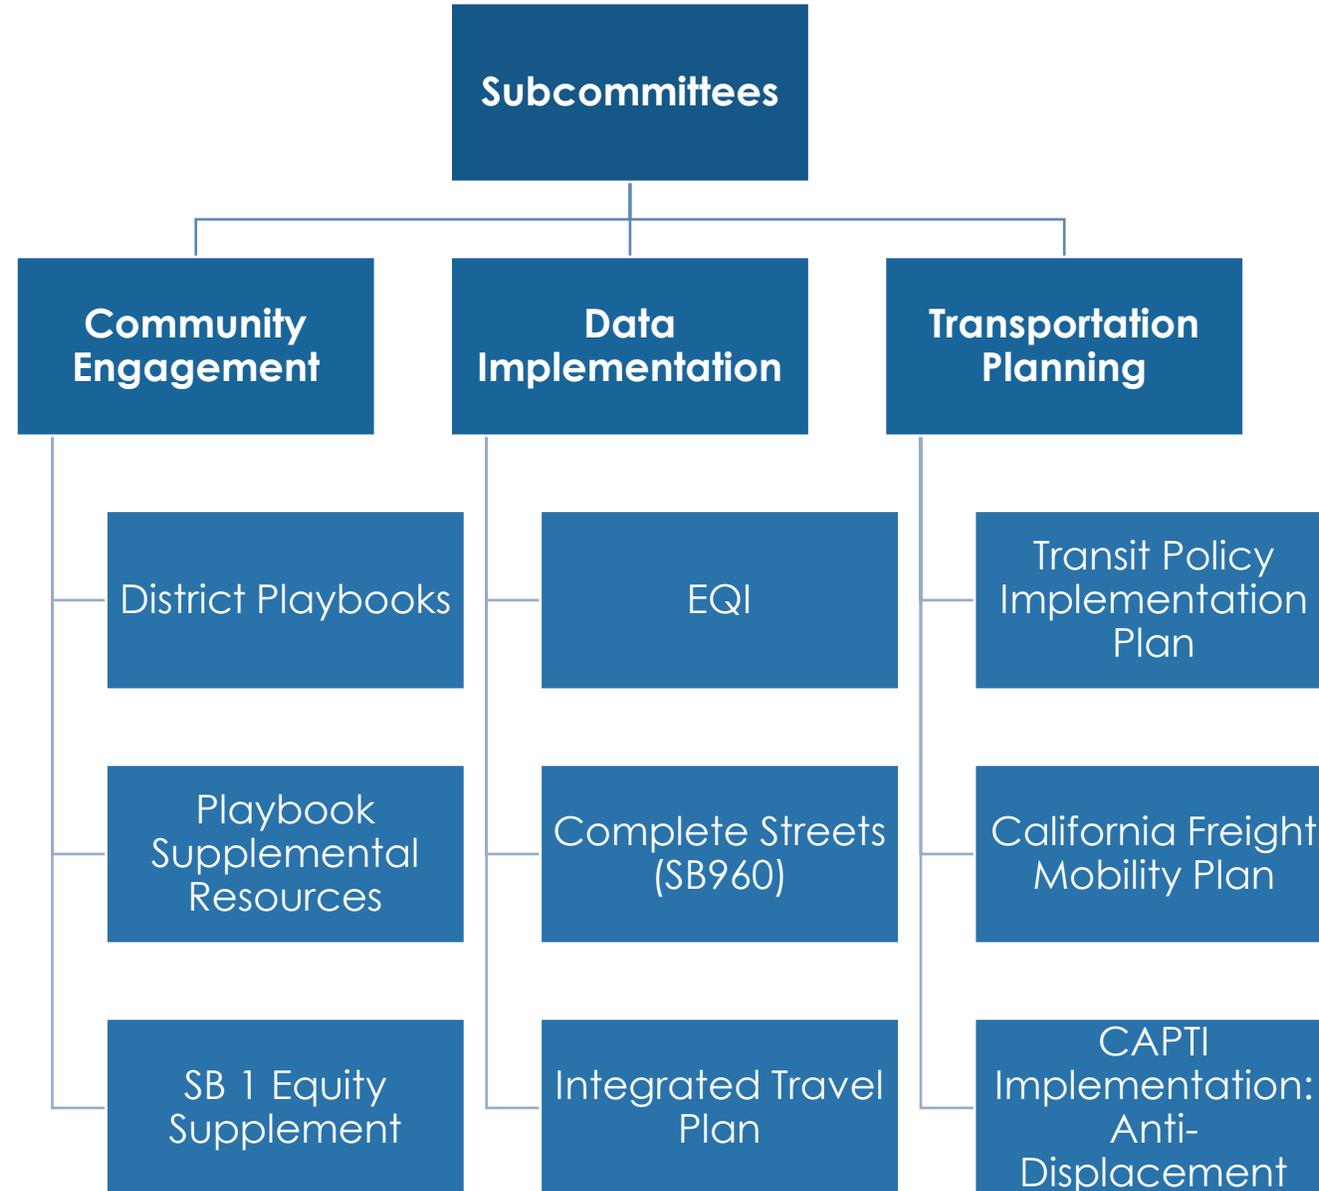

Ad hoc subcommittees have the possibility of being extended or made permanent through an update to the Committee Charter.
