Committee General Membership
Application 2027 - 2029 Term

Commission Highlights

Active Transportation Program Cycle 8

- Call released March 2026
- 100+ evaluators recruited
- 317 nominations received
- Nearly \$3B requested
- Program capacity \$619.32 million.
- Six Committee Members are serving as reviewers.

Commission Highlights

Assembly Bill 194 Tolling Guidelines

- August 2026 member input on updates to AB 194 Tolling Guidelines
- Updates will guide regional agencies and Caltrans in toll facility approvals
- Adopted by winter 2026.

Zero Emission Vehicle Equity Action Plan

- Commission staff coordinated a GoBiz presentation in March 2026
- Feedback will occur via subcommittee in Fall 2026.

CalSTA Highlights

- **Transit and Intercity Rail Capital Program Cycle 8 Grant Review**

- CalSTA's Transit and Intercity Rail Capital Program (**TIRCP**) provides funds through the State Greenhouse Gas Reduction Fund and Senate Bill 1 funding to modernize California's intercity, commuter, and urban rail, bus, and ferry systems and reduce greenhouse gas emissions, vehicle miles traveled, and congestion.
- This summer, Committee members served as **subject-matter experts** for Cycle 8 review, scoring applications and engaging in review-panel deliberations, with final recommendations completed by the end of July.

- **Master Plan for Aging (MPA)**

- California Department of Aging (CDA) briefed the Committee in May 2026 on transportation-related MPA initiatives.
- CDA, CalSTA, and Caltrans continue to engage the Committee on identified priorities including accessibility, complete streets, and transit options, and members continue to collaborate on CDA initiatives to support our aging population.

- **Port and Freight Infrastructure Program**

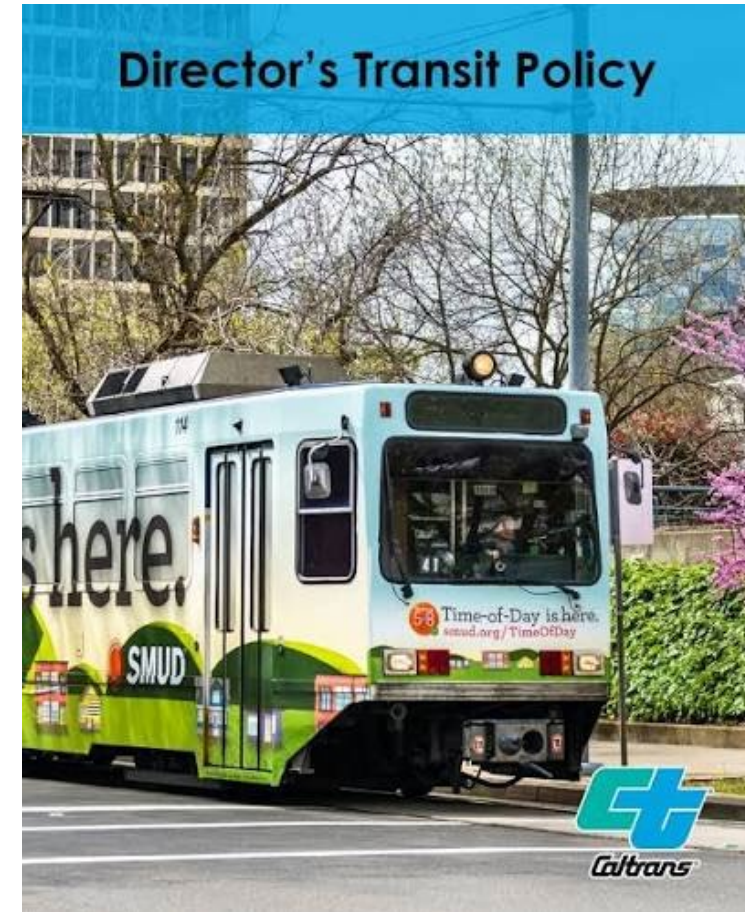

- Updates regarding CalSTA's Port and Freight Infrastructure Program (PFIP) will be brought to the EAC in late 2026 highlighting the program's equity considerations and positive impacts to grantees and local communities.

Caltrans Highlights

Complete Streets

- Committee engagement expanded through the 2026 Workplan, including a **Complete Streets workshop** and transit stop tour that informed **transit-stop design guidance**.
- **District Transit Plans are in development** to identify transit needs and improve statewide access. Plans will be informed by Summer 2026 and presented at the August 2026 meeting.
- Caltrans will present on the **State Bike and Pedestrian Plan** and gather Committee feedback at the **October 2026** Business Committee Meeting.

Caltrans Highlights

Equity Index Use Case Development

- Committee members continue shaping **Caltrans Equity Index (EQI)** by advising on internal and external use cases to improve project impact analysis, planning, and design.
- Members received EQI briefings and tested **EQI User Guide**, with collaboration continuing through 2026.

Anti-Displacement Policy

- CAPTI 2.0 directs Caltrans **Director's Anti-Displacement Policy** to safeguard housing stability, avoid residential takings where feasible, and ensure transparent, equitable processes when displacement cannot be avoided
- Caltrans will present the draft policy and gather Committee feedback at the **October 2026** Business Committee Meeting.
