|-------------------------------------------------------------------|-------------------------------------------------------------------------|----------------------------------|
| CLASSIFICATION TITLE Supervising Transportation Planner | DISTRICT/DIVISION/OFFICE California Transportation Commission | |
| WORKING TITLE Associate Deputy Director | POSITION NUMBER | EFFECTIVE July X, 2022 |

The California Transportation Commission (Commission) is an independent public agency dedicated to ensuring a safe, financially sustainable, world-class multimodal transportation system that reduces congestion, improves the environment, and facilitates economic development through the efficient movement of people and goods.

The Commission is responsible for programming and allocating transportation funds used in the construction of highway, intercity passenger rail, active transportation, aeronautics, and transit improvements. The Supervising Transportation Planner, under the direction of the Deputy Director, directs the development, evaluation, administration, and monitoring of policies and procedures for the State's multi-modal transportation system and evaluates of current and pending issues for Commission action. The incumbent directs the development of planning guidelines, policies and procedures; and the coordination of programming, legislative, and environmental matters of the Commission. The Supervising Transportation Planner serves as a member of the policy staff and provides direction on policy and planning decisions for the Commission.

GENERAL STATEMENT: Under the direction of the Deputy Director, the incumbent is responsible for leading the development and management of regional and statewide transportation planning guidance and policies; reviewing, analyzing and advising the Commission on state and federal legislation impacting transportation; and administering the Commission's multimodal transportation planning and sustainability responsibilities including intersectional work on transportation, housing, climate, and equity. Serves as a member of the Policy Staff and participates in high level policy and planning decisions for the Commission.

SUPERVISION OR GUIDANCE EXERCISED OVER OTHERS

The position may supervise 1-5 direct reports as directed by a Deputy Director.

KNOWLEDGE, ABILITIES AND ANALYTICAL REQUIREMENTS

Knowledge of:

- The planning process and general practices of transportation planning.
- Research methods and techniques including conducting or participating in planning studies, and contemporary transportation, environmental, land use, social, economic, fiscal, legal, and political issues.
- Effective public participation techniques.
- The Commission's mission, organization, programs, policies, and procedures.
- Federal and State laws and regulations.
- Concepts and terminology relating to transportation planning
- Sources of funding for transportation programs.
- The Commission's budgeting process.
- Principles and techniques of selecting outside consultants.
- Principles and techniques of effective supervision and personnel management.
- A supervisor's role in safety, health, labor relations and the Commission's Affirmative Action Program
- Purposes, organization, and policies of Federal, State, regional, and local transportation agencies.
- Program goals and objectives of the Commission

Ability to:

- Operate in a professional, objective, and equitable manner consistent with the highest ethical and professional standards.
- Ensure an open process in all operations that encourages and values public participation.
- Meet commitments, act responsibly with public trust, and achieve the highest performance standards.
- Deliver the highest quality, while striving for efficiency, creativity, and continuous improvement.
- Objectively evaluate the effectiveness of plans, policies, projects, and programs.
- Take intelligent risks and support others in taking informed risks; anticipate the implications and consequences of situations and decisions and prepare for possible outcomes.
- Work cooperatively and build effective partnerships.
- Negotiate meaningful and long-lasting solutions to complex planning, project, and program-level conflicts.
- Participate in public forums, communicate effectively, orally and in writing, represent the Commission in advanced transportation matters.
- Analyze and evaluate dynamic planning processes and programs, make judgments and recommendations on appropriate alternatives, and administer a large program with many internal and external partners.
- Respond to inquiries from management and internal and external customers in a timely and effective manner.
- Effectively apply logic and creativity in decision-making processes, and successfully apply negotiation and motivation techniques.
- Handle multiple assignments simultaneously, learn new tasks quickly with little or no formal training, and be responsive to customers and management policy.
- Contribute to the Commission's safety, health, affirmative action, and labor relations objectives.

RESPONSIBILITY FOR DECISIONS AND CONSEQUENCES OF ERROR

Recommendations by the incumbent will inform Commission actions and policies, and Commission recommendations to the Legislature and the Administration. The consequences of not meeting responsibilities or making poor decisions and

recommendations could be the result in the inability to complete statutorily requirements, loss of credibility with the Legislature, the Administration, and transportation stakeholders.

CORE COMPETENCIES
