

CTC Bay Area Welcome

California Transportation Commission Meeting

August 15, 2018

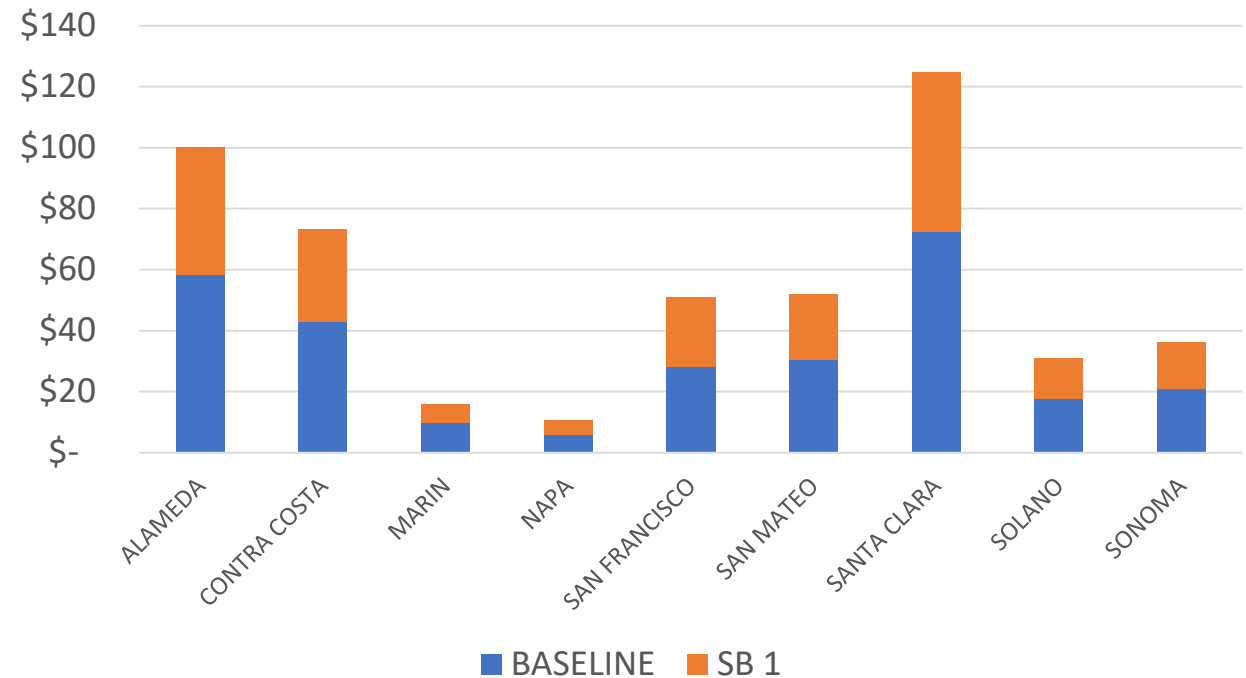

Local Road Funds at Risk

- SB 1 increased annual local road funds by about 75%
- Over 10 years, this lost funding would increase backlog of road maintenance by \$3.9 billion and cause pavement condition to deteriorate from 67 to 58 or from “good/fair” to “at risk.”

Local Road Funding by Bay Area County
(Dollars in millions)

Bay Area Projects at Risk from Proposition 6
