Dear Ms. Bransen,

I hereby waive my right to appear at or be heard by the California Transportation Commission at its December 5-6, 2018 meeting in Riverside. It is agreed and understood that by waiving my right to appear at this meeting, I am only waiving my rights to question or protest specific design aspects of the proposed improvements to State Route (SR)-70. I am not waiving my right to negotiate the fair market value of the property in question, which the California Department of Transportation (Caltrans) has offered to purchase from my ownership. I do not contest the public need of this project, and the only issue I have is the monetary compensation, which I understand is not heard by the California Transportation Commission.

The block contains two handwritten signatures in black ink. The signature on the left is 'Floyd V. Burton' and the signature on the right is 'Vicki J. Burton'. Both signatures are written in a cursive, flowing style. Below the signatures is a solid horizontal line.
