# FACTORS AFFECTING TRAIN RELIABILITY IN 2017

- Continuing effects of the high water near tracks.
- Saturated ground from storm water.
- Slow orders throughout the corridor for safety.
- Freight train derailment on the UPRR between Stockton and Sacramento resulted in:
  - 9-day bus bridge between Stockton and Sacramento.
  - Delayed trains from bus bridges being late due to highway congestion.
- Bus bridge Bakersfield to Fresno last two weeks of March trains to extend the track repair work window

# HOW SCHEDULE MAY BE AFFECTING RIDERSHIP

# Planned Morning Express Service

Fresno to  
 Sacramento  
 +  
 Fresno to Oakland

# Planned Morning Arrival Times

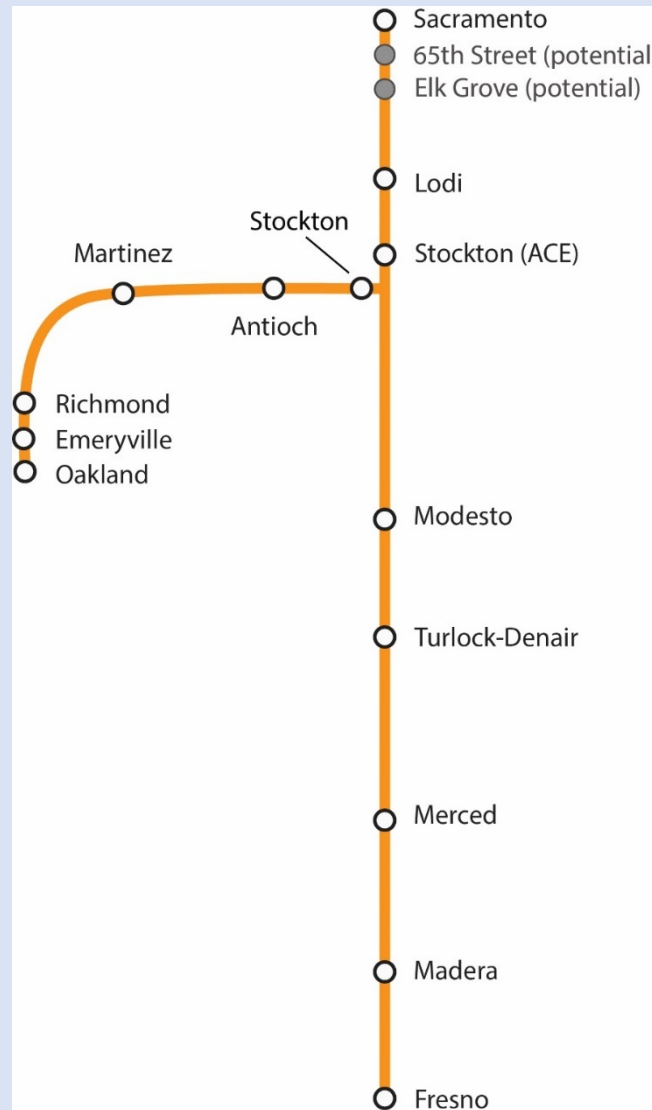

**Sacramento  
7:40am**

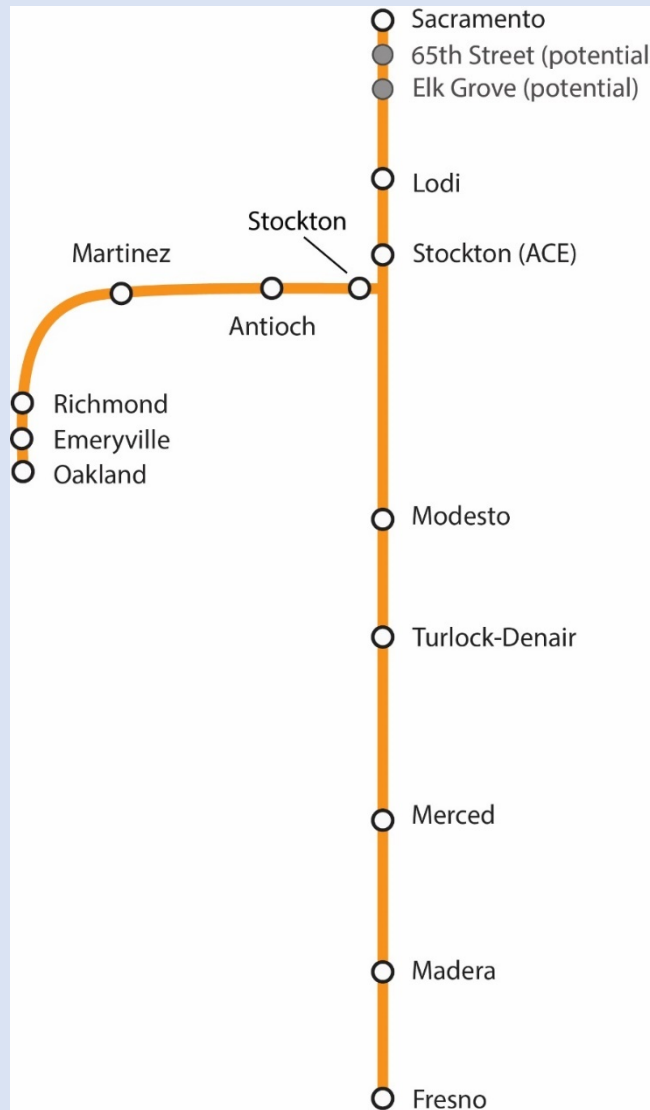

**Oakland  
8:40am**

# Sacramento Morning Express Rolling Out by May 2018

## Re-schedules Existing Trains

# Oakland Morning Express Rolling Out by May 2019

# THE BIG PLAN

- Extension of service to Natomas with Sacramento International Airport Connection.
- Add new trains on an upgraded Sacramento Subdivision corridor.
- Initially increase service with 2 additional trips between Fresno and Sacramento (Natomas)
- Hourly Service between Fresno and Sacramento (Natomas) within 10-15 years
- Expand further north to provide direct Service to Yuba, Sutter, and Butte Counties.
